SP Plus provides parking services for faculty, students, and employees of several University Circle institutions. Included in the system are 13 parking structures and 5 surface lots containing 13,500 spaces consisting of permit and visitor spaces. The Courtyard Transportation Center operates a fleet of passenger buses that provide shuttle service between the institutions and parking facilities, carrying approximately 10 million riders annually.

SP Plus operates the parking system on a "cash box" basis. SP Plus is responsible for the operation of all dedicated parking spaces and has established these regulations in conjunction with Case, UH, and UCI to ensure the safety and convenience of all patrons. Please take time to review these regulations and retain them for future reference.

In order to park in a permit parking area, a hanging permit must be obtained. These are offered by a University Circle institution. To obtain a permit, contact the respective institution.

SP Plus is driven to operate an efficient system that serves the parking needs of University Circle institutions in the best way possible. Your cooperation in this effort is appreciated.

For parking rate information, please refer to the permit fee schedule.
