31st Annual Update for the Comprehensive Ophthalmologist–2013
WHO SHOULD ATTEND
This conference is designed for Ophthalmologists and Residents.

OVERALL PROGRAM LEARNING OBJECTIVES
• Describe how to categorize uveitis into groups such as anterior, intermediate, and posterior, which will allow a more focused differential and diagnostic plan.
• Recognize effective agents for achieving the ultimate goal for patients: durable remission.
• Describe treatment strategies for immunomodulatory therapies.
• Recognize and gauge the most appropriate time to treat with local versus systemic therapy.

ACCREDITATION
Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE
The policy of Case Western Reserve University School of Medicine CME Program requires that the Activity Director, planning committee members and all activity faculty (that is, anyone in a position to control the content of the education activity) disclose to the activity participants all relevant financial relationships with commercial interests. Disclosure will be made to activity participants prior to the commencement of the activity. Case Western Reserve University School of Medicine also requires that faculty make clinical recommendations based on the best available scientific evidence and that faculty identify any discussion of “off-label” or investigational use of pharmaceutical products or medical devices.
