

Dr. Keming Gao will receive the faculty award for his proposal, "Quetiapine-XR Monotherapy in the Treatment of Major Depressive Disorder with Comorbid Generalized Anxiety Disorder: A Pilot Study"

Dr. Irina Korobkova will receive the resident award for her proposal, "Mood Disorders among Older Adult Immigrants to the United States: A Systematized Review"

Dr. Gao and Dr. Korobkova will be recognized at this year's annual Morley Family Foundation Lecture on April 11, and thanks to all who submitted proposals.
