### Faculty Sponsor Form

Applicant's Name and Email Address

Faculty Sponsor's Name & Email

Department

Please contact SOURCE to learn whether or not the student has waived his/her right to read the Faculty Sponsor Form.

1. How long and in what capacity have you known the applicant?

2. Is the applicant's proposal related to your own research?      Yes                  No  
If yes, how much do you plan to financially contribute to this applicant's work and how will this financial support be utilized? Please note if you cannot financially contribute towards this student's work.

3. Please complete the following:

	Strongly Disagree				Strongly Agree
--	----------------------	--	--	--	-------------------

The applicant is capable of executing this project.	1	2	3	4	5
-----------------------------------------------------	---	---	---	---	---

The project's budget and time expectations are reasonable and justified.	1	2	3	4	5
--------------------------------------------------------------------------	---	---	---	---	---

Execution of this proposal will broaden the applicant's experience, that is, this is a substantive project for this applicant.	1	2	3	4	5
--------------------------------------------------------------------------------------------------------------------------------	---	---	---	---	---

Execution of this proposal will contribute to the applicant's education.	1	2	3	4	5
--------------------------------------------------------------------------	---	---	---	---	---

Execution of this proposal will contribute to the applicant's future plans.	1	2	3	4	5
-----------------------------------------------------------------------------	---	---	---	---	---

4. Please briefly describe why this proposal deserves to be funded.

5. Please confirm that as the mentor you will be present or will make sure the person directly supervising the undergraduate will be present and available during the summer.

6. Please confirm that you expect to have supplies and equipment ready for the student to work on the project during the summer beginning on the expected start day.

**Please save this form to your computer and email the completed document to [source@case.edu](mailto:source@case.edu) or print it and send via campus mail to Sheila Pedigo, Sears Library 451, LC 7212, no later than the program deadlines listed above.**
