We are working on the September edition of the SAC newsletter. We are still working on the completion of creating constituency email distribution lists. Due to the large volume of lists to create, the Committee would like to ask for assistance from the Council membership of anyone who has experience creating distribution lists. Please contact Shannon Swiatkowski or Jim Nauer if you can help create lists. The SAC website has been produced in Terminal 4 and we are still working on placing the content. We are also discussing new ways to market the successes of the Council. Our next meeting is Thursday, August 14, 2014 from 2-3pm, via Teleconference (216-754-3665).

e. STAFF POLICY
   i. Performance management recommendations for HR: 360 review/peer - Performance reviews and pay increase in a timely fashion (midyear and annual): if a supervisor has reviews more than a year overdue, they don’t get their review or a pay increase. Consistent metric – nonexempt, professional, exempt. Separate pay increases from performance evaluation. Performance bonuses – why doesn’t regular staff ever get one? Supervisors have no budgetary authority to enact pay increases. Process to file a grievance. Employee development – individual development plan. Annual salary equity review needs to be part of performance management.
      1. Karen has a full text of the Recommendations for those interested.
   ii. Tuition Reimbursement recommendation. The draft recommendation is almost ready for presentation and vote at the August General Council meeting. Some clumsy wording in the “Whereas” section needs a final edit. Fringe is still trying (unsuccessfully) to get tuition benefits usage date from HR. Outstanding questions: what, if any, degree does the employee pursue (Associates, Bachelors, etc.)? using benefit to pursue degree or for continuing education? number of classes / hours taken? reason for using reimbursement instead of waiver?
   iii. Draft resolution to establish and ombudsman office (see attachment)
      1. Discussion resumed about the Ombudsman proposal. Cheryl had reached out to Bob Savinell with an invitation to attend a Policy meeting, however, he was unable to attend. In his reply to Cheryl’s invitation he stated, “I believe there is an Ombudsman,” and that Wally Gingrich
had served in the role. Questioning the faculty perception that their mediator is an Ombudsman; title is “Conciliation Counselor”. Karen to reach out to confirm whether or not the Conciliation Counselor is actually an Ombudsman, i.e., a privileged resource. New person to be confirmed in that role at the September faculty senate meeting is Bill Leatherberry.

2. Discussion of privilege and the legal vs. internal resources for staff (HR/ER, OIDEO, Compliance Office/Integrity Hotline, EASE)

3. Identification of the privileged sources on campus (with input from Kathy): Health Services, Counseling, Women’s Health Advocate (Monica Yost). Not all are available to staff.

4. Sustained Dialog contacted Karen to confirm their support for the Ombudsman effort and indicated that they will forward their research / benchmarking to Policy for staff. However, they feel that as the president does not favor the idea it would not be in their group’s best interest to co-sponsor a recommendation at this time.

5. Suggestion: Supply a fact sheet about what an ombudsman does, and key points to support one here
   a. Ombudsman Association has something like this

6. Will send to Provost or President’s office for feedback

Registration is officially open at this time. The committee will be contacting vendors for donations for the 50/50 raffle.
   iii. The Administrative Professionals Network is having a “clean your office/campus” planning meeting on September 16.
   iv. New SAC PACKS have been provided for the Monday morning HR orientation sessions. The packs have been trimmed down and only contain a welcome letter, a SAC magnet containing the link to the SAC website, and a Spork.
