I. CALL TO ORDER  
Chair Robin Kramer called meeting to order at 10:00am.

II. BUDGET/MINUTES  
Chair Robin Kramer spoke with Kathy Wilson. The budget for the upcoming fiscal year is still in process. Committees should send their budget requirement to Robin as soon as possible.

III. ANNOUNCEMENTS  
Chair Robin Kramer announced the following changes: Joanne DiCarlo retired in May, leaving Jeanne Madison as Council Chair, but soon got laid off from the University, bumping Robin Kramer into Council Chair effective immediately.
Robin spoke with Judith Olson-Fallon who has agreed to become Council Vice-Chair Elect, depending on the voting of the Council. The voting had to be delayed due to a lack of quorum.

Terri Geiger asked for SAC participation with Thwing Center with Student Activities in conjunction with Case Community for all staff and students (there will be limitations with students). This is an initial request just to see what response she will get. The date still has to be determined. She also announced that there will be a sponsored Blood Drive on September 2nd. There is more information to come.

Regarding the SAC Web Feedback, Robin says that there have been questions regarding the Presidential VP Debate. Employees are concerned about parking since Veale will be closed for the event. Robin says that the plans have not been confirmed and the garage will not be closed. They are still working on security. Kathryn Howard will speak with Erin Walsh to address faculty concerns so that we can let our constituents know.

Beth McGee, a national speaker, has contacted SAC to speak to faculty and students next Fall. She wants SAC to help advertise the speaker. We will discuss more at the next Council meeting.

Robin has asked Kathryn Howard to sit as Council Past Chair. With Councils general consent, we will vote at a later date.

In the Steering Committee, there have been a few changes. Robin announced that the Council meeting will start promptly at 10am. She asked that Council to please be promptly to the Council meetings. Also, no longer will each committee report at the Council meetings. All committee reports will be mailed out before the general Council meetings.

IV. REPORT FROM THE DEPARTMENT OF HUMAN RESOURCES
Lorraine Watson provided information on the upcoming Supervisory Briefing Seminars on “Successful Strategic Planning”, Tuesday, August 17, 2004 from 1:30-3pm in Crawford Hall, Room 13 and Thursday, August 19, 2004 from 10-11:30am in Frohring Auditorium, BRB 105.

The Party on the Quad was a huge success with the theme of American Idol. There were many door prizes and everyone enjoyed themselves.

V. DISCUSSION OF ISSUES BY REPRESENTATIVES
Colleen Bobrowski was concerned that there will be a lack of participation due to lack of announcements related to Case Community Day. Kathryn Howard stated that there was information posted on the Case Website. She also provided the date of September 15th as the date for Case Community Day. There will be various projects available – painting houses, installation of playground at Forest Hills, etc. She says that an
announcement will come out shortly. She is looking for Council to provide “site
leaders” for 20 projects that are available. The enrollment capacity this year will be
500 and it will available via electronic submission to make it easier for people to sign
up. A sign-up sheet to volunteer was distributed amongst the Council.

Community Service Committee to sit in on Planning Committee for Case Community
Day. There has been one meeting thus far, the next meeting will be held next week.

Patsy Harris brought up the concern of daycare/pre-school support. Lorraine Watson
is currently sitting on a committee that is addressing this concern in possibly building
a childcare center on campus.

Curtis O’Neil brought up the concern of the BP move. The concern was – will there
be a prefaced discussion due to the move being announced a Crain’s Cleveland
article. Lorraine Watson says that Human Resources will provide support for those
employees and will continue to update us any changes. Carole Dietz asked if SAC has
“officially” submitted a request to Administration. Chair Robin states yes we have
and that we have received 30% positive feedback and that SAC will continue to
collect feedback and we should continue to encourage our constituents to use SAC
Feedback so that we can address their concerns.

Chair Robin asked Kathryn Howard to Chair the Empowerment Committee until the
September positions were in place. Tina Jurcisin may be a possible co-chair.
