The committee chairs, Kathleen Dowdell and Kathy O’Linn met with Anthony Kinslow, Fatima Karriem and Frank Lenoir this week to discuss the goals of the Staff Training and Development Committee and the direction we would like to move in the coming year. The Video on Wheels program will be replaced by Departmental Learning Sessions that will be facilitated by members of our committee.

With changes made in HR, Fatima has agreed to be the ex-officio member of this committee. We plan to work with Fatima in marketing these learning sessions that will be available for departments on campus to request beginning this Fall.

The committee presented a plan to incorporate Campus Tours with Orientation of New Staff Employees. This will be considered and reviewed by HR.

The August meeting of the Staff Training and Development Committee has been cancelled.

**Committee Report**

**July, 2005**

**Annual Report 2004-05**

Accomplishments:
We have successfully completed another year with the leadership of Patsy Harris and Rosalyn Foster. The committee's primary responsibility this year was to revamp the President's Award for Staff Excellence. Patsy Harris was instrumental in this endeavor by approaching President Hundert and discussing the necessity to have the President's Award for Staff Excellence Letter updated to reflect the new vision for Case. The Staff Recognition Committee was also successful in increasing the President's Award for Staff Excellence from $500.00 to $1000.00.
The committee was also involved in the nomination process for the President's Award, and recommended to the President a slate of qualified candidates. Three well-deserving people won awards this year.
• Patsy Harris, Graduate Admission Coordinator, Materials Science and Engineering
• Robin G. Kramer, Assistant to Grants Manager, Controller's Office
• Virginia Morrison, Specialist, Epidemiology & Biostatistics

The committee assisted Human Resources in planning "CASE Quad Picnic." Faculty, staff and students enjoyed various activities including line dancing, hula-hooping, and limbo. We were able to receive approval from Human Resources to have the Picnic extended from 3:00 to 6:00. Rosalyn Foster was able to procure the majority of the prizes awarded to various picnic attendees including a $50.00 gift certificate to Dick's Sporting Goods, $50.00 in gift certificates to Uptowne Grill, and a cruise for 2 on the Nautica Queen.

Goals:
Continue to seek out new ways of acknowledging the many contributions of the University staff.

**SAC Fringe Benefits Committee**

**Committee Report**

**July, 2005**

**Attendees:** Kathleen Blazar, Carol Dietz, Paula Embury, Lynne Ford, Sandy Fox, Kathryn Howard, Barb Juknialis

The July 2005 meeting of the Staff Advisory Council's Fringe Benefits Committee was called to order at Noon.

Attendance was recorded.

The minutes of the previous meeting were approved.
The first item of business was the discussion and selection of a new meeting day and time. The future meetings of the Fringe Benefits Committee will be the third Tuesday of the month from 11:30 A.M. – 1:00 P.M. The dates will be presented to the event coordinator in Adelbert who hopefully will reserve a room on these days at this time.

The discussion continued by revisiting education benefits. The Tuition Exchange Program will again be investigated because of the new notion of Tuition Portability. Paula Embury will continue this investigation.

Kathryn Howard will continue to pursue information about Emeriti Retirement Health Solutions, a savings plan for health insurance expenses in retirement.

There was mention of the availability of a second dental plan offered by the student clinics of Case’s School of Dental Medicine. There were no particulars discussed.

There was a lively discussion of Case’s new VSP eyecare plan and the general lack of quality and understanding of the benefit. The Fringe Benefits Committee wants to pursue an exploration of the staff’s feelings about the plan. Further, it is hoped that by so doing, there is time for the university to present a better version of an eyecare plan before the next Benelect Enrollment period. Kathy Blazar will look into this.

Barb Juknialis offered to contact HR about other options for the reimbursement spending accounts. One of these is Evolution Benefits, a debit card.

Kathryn Howard will extend an invitation to Carolyn Gregory to present the findings of the university’s fringe benefits survey at a future meeting of the SAC Fringe Benefits Committee.

There was a motion to adjourn the meeting. It was seconded and approved. The meeting was adjourned.

The next monthly meeting will be on the third Tuesday of August 16, 2005, from 11:30 A.M. – 1:00 P.M., room to be determined.

**Committee Report**

**July, 2005**

1. Checks for proceeds from the ‘Taste of Case’ cookbook project have been distributed to our community partner schools, Joseph F. Landis Elementary and Mary M. Bethune Elementary. Each school received a check in the amount of $682.57. The funds will be used for school supplies for the children and classroom aids for the teachers. The committee is very proud to have contributed to such a worthwhile cause.

2. SAC Community Service Committee co-chairs, Michelle Saafir and Shelli Snyder were recently interviewed by Case Marketing and Publications about the cookbook fundraiser. An article is planned to be featured on the Case web site.

3. The committee’s next project is the Basket Raffle which will be held in conjunction with the HR Benefits Fair. The committee has decided that this year’s recipient of the proceeds will be Westside Ecumenical, a community based organization that serves low-income families on Cleveland’s westside. More information about the basket raffle will be announced soon. Volunteers will be needed!

4. Our next meeting will be held on September 13th at the BRB (outside the cafeteria area) at noon.
