Professor Alexander asserts, “We have not ended the racial caste in America: we have merely redesigned it.” Her book, The New Jim Crow: Mass Incarceration in the Age of Colorblindness, is a New York Times bestseller in which she examines how the mass incarceration of African American men, primarily through the war on drugs, has created a new racial under caste, a group of people defined largely by race that is subject to legalized discrimination, scorn, and social exclusion.

Q&A following presentation

Tuesday Book Discussions
Sept.11- Oct.16

Free and open to the Public
Doors open 6:00pm-8:30pm

Register for the event at:
WWW.OIBC.ORG
