My NCBI

National Center for Biotechnology Information

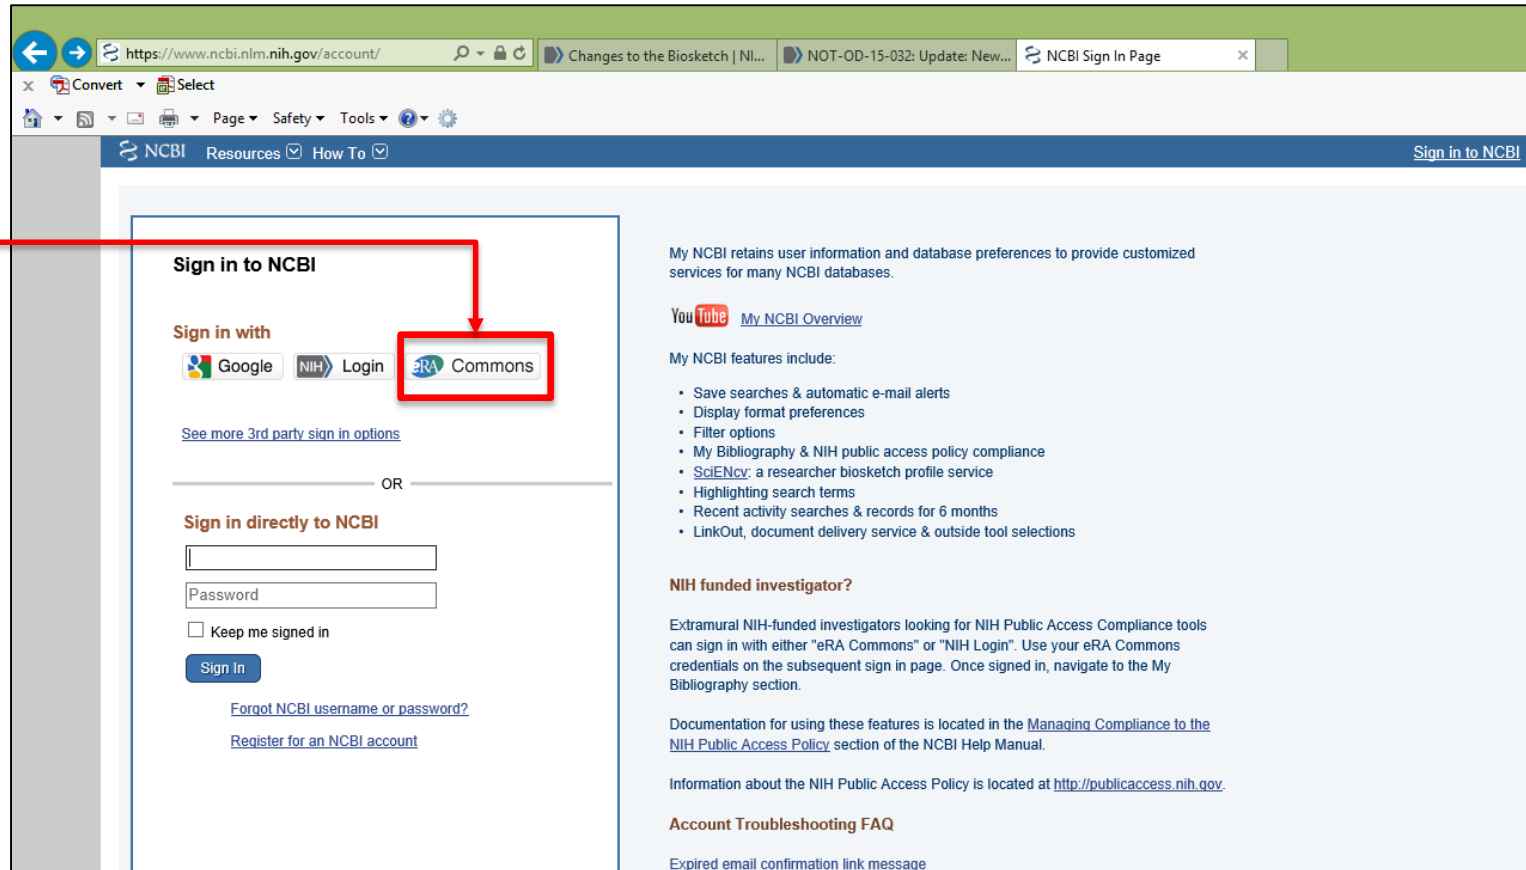

1. Link: <https://www.ncbi.nlm.nih.gov/account/>
 - Log in using NIH Commons ID and Password
2. My NCBI contains:
 - My Bibliography
 - Create personal URL to provide a full list of your published work
 - Must use if desire to add URL to NIH Biosketch
 - SciENCv (Science Experts Network Curriculum Vitae)
 - Optional tool to create Biosketches (for multiple agencies)

My NCBI

- Link: <https://www.ncbi.nlm.nih.gov/account/>

Click here then log in with NIH Commons ID and Password.

The screenshot shows the NCBI account sign-in page. A red box highlights the "eRA Commons" sign-in option, with a red arrow pointing to it from a text box on the left. The page includes a "Sign in to NCBI" section with "Sign in with" options for Google, NIH Login, and eRA Commons. Below this is a "Sign in directly to NCBI" section with username and password fields, a "Keep me signed in" checkbox, and a "Sign In" button. There are also links for "Forgot NCBI username or password?" and "Register for an NCBI account". The right side of the page contains information about user information retention, a YouTube link for "My NCBI Overview", a list of features, and sections for "NIH funded investigator?" and "Account Troubleshooting FAQ".

My NCBI retains user information and database preferences to provide customized services for many NCBI databases.

[YouTube My NCBI Overview](#)

My NCBI features include:

- Save searches & automatic e-mail alerts
- Display format preferences
- Filter options
- My Bibliography & NIH public access policy compliance
- [SciENcy](#): a researcher biosketch profile service
- Highlighting search terms
- Recent activity searches & records for 6 months
- LinkOut, document delivery service & outside tool selections

NIH funded investigator?

Extramural NIH-funded investigators looking for NIH Public Access Compliance tools can sign in with either "eRA Commons" or "NIH Login". Use your eRA Commons credentials on the subsequent sign in page. Once signed in, navigate to the My Bibliography section.

Documentation for using these features is located in the [Managing Compliance to the NIH Public Access Policy](#) section of the NCBI Help Manual.

Information about the NIH Public Access Policy is located at <http://publicaccess.nih.gov>.

My NCBI – My Bibliography

The screenshot shows the My NCBI interface with several sections:

- Search NCBI databases:** Search box with "PubMed" selected and a "Search" button.
- My Bibliography:** A red box highlights this section. It contains the text "Your bibliography contains 2 items." and a list of recent citations. A red callout box points to the "Manage My Bibliography" link.
- Saved Searches:** A message stating "You don't have any saved searches yet." with a "Manage Saved Searches" link.
- Collections:** A table listing collections: Favorites (0 items, Private), My Bibliography (2 items, Public), and Other Citations (0 items, Private).
- Filters:** A section for filtering results, currently showing "PubMed" and a "Manage Filters" link.
- Recent Activity:** A table showing recent activity, including "My Bibliography - My NCBI Help" and "The impact of partner alcohol probl...".
- SciENcv:** A section for user profiles, showing "From ORCID" and "Main" with "Manage SciENcv" link.

To begin, click on “Manage My Bibliography”

My NCBI – My Bibliography

- Adding a Citation to My Bibliography

The screenshot displays the My NCBI My Bibliography page. At the top, the browser address bar shows ncbi.nlm.nih.gov/myncbi/collections/mybibliography. The page header includes the NCBI logo, navigation links for Resources and How To, and user information for craig.zullig@case.edu. The main content area shows the title "My NCBI » My Bibliography" and a status bar indicating the bibliography is private. Below this, there are display settings for "Award view" and a selection bar with "0 items selected". A list of journal articles is shown, with the first two entries highlighted in light blue. A red arrow points to a "Add citation" panel on the right side of the page, which contains three buttons: "Add from PubMed", "Add manually", and "Upload a file". Below the "Add citation" panel, there are filters for "Publication date" and "Awards".

My NCBI – SciENcv

The screenshot shows the My NCBI SciENcv interface. At the top, there are navigation links for Safety, Tools, and user information (craig.zullig@case.edu). The main heading is "My NCBI". Below this, there are several panels:

- Search NCBI databases:** A search box with a dropdown menu set to "PubMed" and a "Search" button. A hint below reads: "Hint: clicking the 'Search' button without any terms listed in the search box will transport you to that database's homepage."
- My Bibliography:** A section titled "Your bibliography contains 2 items." It includes a shareable URL and a list of "Most recent citations" with details on authors, titles, and publication information.
- Recent Activity:** A table showing recent actions:

Time	Database	Type	Term
5:15 PM	Books	record	My Bibliography - My NCBI Help
Yesterday 2:47 PM	PubMed	record	The impact of partner alcohol probl...

- Saved Searches:** A message stating "You don't have any saved searches yet. Go and create some saved searches in PubMed or our other databases." with a "Manage Saved Searches" link.
- Collections:** A table listing collections:

Collection Name	Items	Settings/Sharing	Type
Favorites	edit 0	Private	Standard
My Bibliography	edit 2	Public	Standard
Other Citations	edit 0	Private	Standard

- Filters:** A section for filtering results, currently showing "Filters for: PubMed" and a message "You do not have any active filters for this database."
- SciENcv:** A table showing user profiles:

Name	Last Updated	Sharing	Type
From ORCID	Yesterday 2:45 PM	Private	NIH Biosketch
Main	Yesterday 11:55 AM	Private	NIH Biosketch

A red box highlights the "Manage SciENcv" link in the SciENcv panel. A red arrow points from a text box on the left to this link.

To begin, click on "Manage SciENcv"
