Important Note:
In accordance with the federal regulations established by the Family Educational Rights and Privacy Act (FERPA), students must authorize their parents or other third parties to view their tuition account/bill. Click the Make a Payment tab and then click “open online billing and payment system.”

NOTE: Clicking the “open online billing and payment system” link opens a new window into the billing system. Please ensure any pop-up blockers are temporarily disabled.

Effective with the Fall 2014 semester, graduate and professional students will be enrolled automatically as members of 121 Fitness Center at a discounted rate of $29/month ($116 for fall semesters and $145 for spring semesters; no initiation fee). With permission, you may use financial aid to pay for this membership fee. If you do not wish to use this benefit, you may opt out by the end of the drop/add period of each semester.

At the end of the registration process, you will see an announcement of the 121 Fitness membership fee below the “Health Waiver” button. Below are detailed instructions on how to keep the membership and use financial aid, or how to opt out.
