How to Register for Courses

(NOTE: this is a continuation from the instructions for filling the shopping cart, found here).

Log in to the SIS Student Center.

If you have already filled your shopping cart:
Click on the “plan” link, and then click on the “shopping cart” sub tab. Review your class selections and make any necessary changes.

If you need to edit your shopping cart, you can make changes to your class selections by completing the following steps:

A. To delete a class from your shopping cart:
   i. Click the checkbox next to the class in the **select** column.
   ii. Click the **delete** button.
   iii. Your shopping cart refreshes; the class has been removed.

B. To add a class to your shopping cart:
   i. Click the **search** button.
   ii. The search screen appears.

After making any necessary changes, proceed to step 17.

**IF YOU HAVEN’T FILLED YOUR SHOPPING CART, REFER TO STEP ONE HERE.**

**STEP 17:** Your shopping cart appears. It should include the classes for which you intend to register.

**STEP 18:** Select all the classes in your shopping cart by clicking the checkboxes in the **select** column.

**STEP 19:** Click the **validate** button.
(If you see a blue square under the **status** column, you will not be able to enroll in the section, as it is closed. The validate button will not catch these.)
VALIDATION RESULTS

STEP 20: The results of the validation process appear.

STEP 21: If a red X appears, that means a problem has been found with the suggested schedule in your shopping cart. Consult the SIS error messages table on Page 57. Any classes with a green checkmark are okay to add to your schedule.

STEP 22: Click the shopping cart button. You will then be able to make adjustments to your shopping cart or proceed with enrollment if no adjustments are necessary.

STEP 23: You can delete a class by clicking the select check box and clicking delete. You can select additional classes by using the search button.

STEP 24: From the shopping cart, click the enroll button once you have made your final selections and have made sure everything was ‘OK to Add’ after you validated the classes in your shopping cart.
CLASS CONFIRMATION

2. Confirm classes

Click Finish Enrolling to process your request for the classes listed below. To exit without adding these classes, click Cancel.

STEP 25: The confirm classes screen appears.

STEP 26: Click the finish enrolling button.

STEP 27: The view results screen appears. If a red X appears, read the error message carefully. Consult the SIS error messages table on Page 57 before proceeding. If you have questions:
- Email: summerreghelp@case.edu
- Call: 216.368.2928

STEP 28: Click my class schedule to access your completed schedule. Conduct a final review of your schedule.

STEP 29: Click printer friendly page before printing. Print one copy for your records (optional).

You may continue making changes to your schedule through July 15 and will need to update your First Seminar selections in the New Student Checklist accordingly.

After July 15, first-year students will be able to make schedule adjustments after meeting with their first-year advisor at new student orientation. Once enrolled in classes you may waive your health insurance fee for fall semester if you have outside insurance. Instructions are available at https://students.case.edu/wellness/medicalplan/waiver/process.html.

Requesting Enrollment in a Closed Course or Course Requiring Instructor Consent

When registering for courses, if a course that is required for your intended major is full, or requires instructor consent, you may submit a Schedule Change Request on the New Student Checklist. You can find this form within the "First-Year Registration" item.

This request will notify Undergraduate Studies that you would like to be enrolled in a course. These requests will be reviewed by Undergraduate Studies, and you will be contacted if there are any questions or concerns about your request. Check your schedule after July 29 to confirm whether or not your request was accommodated.

Please keep in mind we cannot guarantee that all requests will be granted and requests made for courses that are required for a student’s intended major will be given priority. Students should first search for alternate courses or other available sections of a course before submitting requests.

Requests for instructor consent
To ensure that requests for instructor consent are reviewed and granted (as applicable) prior to registration, we ask that all students requesting instructor consent submit a Schedule Change Request between July 5-10.

Requests to enroll in a closed course
Requests to enroll in a closed course should only be made during the registration period (July 12-15). Requests to enroll in a closed course made before July 12 will not be reviewed.

Because students are not required to take PHED courses in their first semester, we will not be able to accommodate requests for closed PHED courses. Students are free to add PHED courses during the drop/add period if they become available.
