<tbody>
<tr>
<td>1.</td>
<td>From the HCM main menu, click the <strong>Manager Self Service</strong> link.</td>
</tr>
<tr>
<td>2.</td>
<td>Click the <strong>Case Time Reporting</strong> link.</td>
</tr>
<tr>
<td>3.</td>
<td>Click the <strong>Department Security Entry</strong> link.</td>
</tr>
</tbody>
</table>
**Step** | **Action**

4. | The **Department Security Entry** search screen appears.

You can select an entry from the **Search by** drop down list and enter text into the search field. The following search types are available:

- Department
- Empl ID
- Empl Record
- Name.
### Step 5

In this example, we will search by employee name.

Enter the employee's **last name** in the search field and click the **Search** button.

Check the **Case Sensitive** block if applicable.

```
Search by: Name [ ] begins with Dyne
[ ] Case Sensitive
```

<tr>
<td>7.</td>
<td>The employee's immediate supervisor will appear above the list of Time Approvers. You can click the magnifying glass to the right of the Supervisor's employee ID number to view details.</td>
</tr>
<tr>
<td>8.</td>
<td>Click the <strong>Department Profile</strong> tab.</td>
</tr>
</tbody>
</table>

9. | The **Department Profile** page appears. From this screen, you can give the selected employee access to approve time for other employees in an indicated department.

Enter the department ID into the **Department** field or click the **Department Look Up** button (magnifying glass) to view a list of authorized departments.
Once the department number has been entered, you can click the appropriate check box to designate the type of employees for which this person can approve time (assign a security role).

In this example, the **Exempt**, **Non-Exempt** and **Student** check boxes are selected and the **Faculty** check box is not selected.

With this configuration, the employee shown in the screen above (Nicole Dyme) will now be able to approve time for other Exempt, Non-Exempt and Student employees but will not be able to approve time for Faculty employees.

**Note:** Department Security Roles are defined on the following page.
### Department Security Roles

- **Exempt**: Employee can approve time entries for exempt employees.
- **Non-Exempt**: Employee can approve time entries for non-exempt employees.
- **Student**: Employee can approve time entries for student employees.
- **Faculty**: Employee can approve time entries for faculty employees.
- **Pay Req**: Employee can enter payment requests.
- **Dist/Adj**: Employee can enter payment distributions and adjustments.
- **Dept Security**: Employee has access to the Department Security Entry screens for the purpose of assigning supervisors and time approvers to other employees.
- **Prim Contact**: Employee is the primary contact for the department.
- **Fin Dept Adm**: Employee is the financial administrator for the department.

**Note**: There must be at least one department number entered before these roles can be assigned.
