

Take Advantage of After-Hours Parking

Included at no additional cost for current permit holders, an [After Hours](#) pass is a great solution for those who frequently park on campus at night or on the weekends and are looking for more convenient parking than their current assignment.

Those with *any* valid CWRU permit displayed are eligible to park in the following lots during designated times:

Lot	Type	Time	Access
1A	Surface Lot	4:30 p.m. – 7:30 a.m.	CWRU ID
29	Garage	6 p.m. – 7:30 a.m.	Gate Card
44	Surface Lot	4:30 p.m. – 7:30 a.m.	N/A
46	Garage	4:30 p.m. – 7:30 a.m.	CWRU ID
53	Garage	6 p.m. – 7:30 a.m.	Gate Card
55	Garage(lower level)	4:30 p.m. – 7:30 a.m.	CWRU ID

To see which option best fits your needs, please view our [parking map](#). Entrance to any after-hours lot or garage is restricted after 3 a.m. and you must vacate the lot prior to 7 a.m. to avoid penalties. After Hours parking is not guaranteed and may be unavailable due to use by assigned permit holders or special event requests.

All students, faculty and staff are encouraged to use the [evening shuttle service](#) or [Safe Ride](#) transportation options to ensure safe travel between their parking space and destination.

A \$10 deposit is required to receive the gate card needed to access Lot 29 (Campus Center Parking Garage) or Lot 53 (Veale Parking Garage). To pick-up this card, please visit Access Services, located in the lower level of Crawford Hall. Otherwise, access to lots mentioned above is already active for current permit holders using your CWRU ID. Please contact Parking Services at 216.368.2273 or parking@case.edu with questions.
