

SEA CLOUD SPIRIT

Sea Cloud Cruises

Welcome to a unique sailing experience unlike any other. The Sea Cloud ships follow a course all their own, redefining what it means to sail in ultimate luxury. Embark on an exclusive voyage aboard one of our three tall ships — majestic vessels that combine the tradition of classic sailing with personalized, five-star service at a relaxed pace so you can connect with the sea, the sun and world-class destinations.

We pride ourselves on the personal touch; even our sails are hoisted by hand. Nowhere else are you this close to the elements. Our exclusive vessels are intimate enough that the sea is always within reach, not a dozen decks away.

Sustainability

For more than 40 years, we have been pursuing the principles of sustainable tourism, experiencing cultures, appreciating local customs and creating added value for the regions. Responsible tourism on water and on land has been an integral part of our philosophy, ensuring that the impact we leave is on beautiful memories alone.
