

# ***Cuyahoga County***

*The Executive and Council of Cuyahoga County, Ohio,  
Take profound pride and great pleasure in proclaiming*

## ***Climate and Health Month***

*April 2025*

***WHEREAS,*** *the County Executive and County Council President together declare April Climate and Health Month in Cuyahoga County in partnership with Case Western Reserve University Climate and Health Education Collaborative and numerous other partners; and*

***WHEREAS,*** *Cuyahoga County is committed to fostering a community where health, wellness, and safety take center stage, creating a thriving environment for all; and*

***WHEREAS,*** *the partners will create and disseminate educational programs and curricula about the health effects of climate change in order to improve health, empower communities and train future health leaders; and*

***WHEREAS,*** *Climate and Health Month provides our community with an opportunity to learn about and act on issues in our country on and around Earth Day and throughout the month; and*

***WHEREAS,*** *our County and bioregion-- Great Lake Erie Southern Shores-- and its ecosystem deserve our respect and stewardship, and*

***WHEREAS,*** *Climate and Health Month is an intergenerational initiative with the goals of health, resiliency, mitigation, equity, and advocacy. This April many climate and health events are planned that involve all sectors of our society.*

***NOW, THEREFORE BE IT RESOLVED*** *that the Executive and the Council of Cuyahoga County, Ohio, hereby proclaim the month of April as **Climate and Health Month** in Cuyahoga County. We encourage all our residents to participate in events, support climate and health initiatives, and contribute to building a healthier, more sustainable for future generations to come.*

*Duly adopted this 1<sup>st</sup> day of April, 2025*
