COVID-19

Increasing COVID-19 cases within Northeast Ohio have prompted Case Western Reserve University to resume its requirement that masks be worn indoors. In addition, only those who are fully vaccinated (two weeks past their final dose) should attend any campus event. Leaders continue to monitor pandemic developments and may need to adjust health protocols further as circumstances warrant. In-person is subject to change based on COVID-19 guidelines.

About the Department of Music

The Department of Music (College of Arts and Sciences) serves undergraduate and graduate students at Case Western Reserve University and all students at the Cleveland Institute of Music through our Joint Music Program. Our program stimulates the highest standards in academic and artistic excellence by offering a broad range of degree programs, courses, and ensemble experiences with faculty specializing in historical performance practice, music education, and musicology. Our campus (located in the heart of University Circle) provides a thriving and holistic learning experience where students feel comfortable in a diverse and supportive environment.

The Bachelor of Arts (BA) in Music is for students who want to major in music while receiving a comprehensive, liberal arts education. Many undergraduate students combine musical study with another area of study through a double major or dual degree. The BA in Music offers excellent preparation for graduate work in music or professional studies in other fields.

The Bachelor of Science (BS) in Music Education is a professional degree for students interested in teaching music within K-12 schools. This program guides students through sequential instruction, critical thinking, and practical teaching experiences, ultimately leading to teaching licensure.

Our graduate programs provide rigorous academic study and professional training in the fields of musicology, historical performance practice, and music education, and help prepare the next generation of leaders in these fields.

For students who want to participate in musical activities on campus, our many ensembles are open to all CWRU students regardless of major and music lessons are offered through the JMP with CIM faculty (instructional fees apply).

A Celebration of Alumni, Families and Students

Homecoming is a special time on our campus when current students and alumni reconnect, reminisce, and create wonderful memories. We are excited to welcome our Spartans home as we come together to celebrate this CWRU tradition.

Its character, traditions, diversity, academic excellence, artistic development, and beautiful surroundings in University Circle make CWRU an exceptional place. This evening's performance spotlights the collective efforts of our devoted faculty, staff, and students.

Thank you for your support and participation in Homecoming 2021.

Those wanting to share memories both past and present can use the hashtags #cwrumusic, #cwruhomecoming, and #spartans. Follow us on Facebook and Instagram (@cwrumusic) and subscribe to our YouTube Channel.
