Welcome to the
Florence Harkness Memorial Chapel

Harkness Chapel (est. 1902), features neo-Gothic architecture, antique oak and Georgia pine woodwork, and Tiffany windows. It is a warm, intimate, and acoustically resonant space for the performance of vocal and instrumental chamber music. The building provides space for concerts, music classes, and department recitals. It was built to honor Florence Harkness Severance (Louis Henry Severance), the only daughter of Stephen V. Harkness, and his second wife, Anna M. Richardson Harkness.

RESTROOMS

Restrooms are located at the back of the lobby near the main entrance.

PAGERS, CELL PHONES, COMPUTERS, TABLETS, AND LISTENING DEVICES

As a courtesy to the performers and audience members, please power off all electronic and mechanical devices, including pagers, cellular telephones, computers, tablets, wristwatch alarms, etc., prior to the concert.

PHOTOGRAPHY, VIDEO, AND RECORDING DEVICES

Photography and videography are prohibited during the performance.

FACILITY GUIDELINES

In order to preserve the beauty and cleanliness of the hall, food or beverage, including water, are prohibited. A drinking fountain is located near the restrooms.

IN THE EVENT OF AN EMERGENCY

Contact a member of the house staff if you require medical assistance. Exits are clearly marked throughout the building. House staff will provide instruction in the event of an emergency.

COVID GUIDELINES

Increasing COVID-19 cases within Northeast Ohio have prompted Case Western Reserve University to resume its requirement that masks be worn indoors. In addition, only those who are fully vaccinated (two weeks past their final dose) should attend any campus event. Leaders continue to monitor pandemic developments and may need to adjust health protocols further as circumstances warrant. In-person attendance is subject to change based on COVID-19 guidelines.

ABOUT THE DEPARTMENT OF MUSIC

The Department of Music serves undergraduate and graduate students at Case Western Reserve University and all students at the Cleveland Institute of Music through our Joint Music Program. Our program stimulates the highest standards in academic and artistic excellence by offering a broad range of degree programs, courses, and ensemble experiences with faculty specializing in historical performance practice, music education, and musicology. Our campus (located in the heart of University Circle) provides a thriving and holistic learning experience where students feel comfortable in a diverse and supportive environment.

The Bachelor of Arts (BA) in Music is for students who want to major in music while receiving a comprehensive liberal arts education. Many undergraduate students combine musical study with another area of study through a double major or dual degree. The BA in Music offers excellent preparation for graduate work in music or professional studies in other fields.

The Bachelor of Science (BS) in Music Education is a professional degree for students interested in teaching music within K-12 schools. This program guides students through sequential instruction, critical thinking, and practical teaching experiences, ultimately leading to teaching licensure.

Our graduate programs provide rigorous academic study and professional training in the fields of musicology, historical performance practice, and music education, and help prepare the next generation of leaders in these fields.

For students who want to participate in musical activities on campus, our many ensembles are open to all CWRU students regardless of major and music lessons are offered through the JMP with CIM faculty (instructional fees apply).

Chorus

I sing of the wonders

I sing of the wonders the Lord has done
to save Mattathias and Judah his son.
Give thanks to the lord rejoice and be glad!
Sing praise to the Maccabees who set our
people free.

Chorus:

High above the heavens, enthroned is our God
His glory, His majesty, revealed for all to see.
Give thanks to the Lord rejoice and be glad!
Sing praise to the Maccabees who set our
people free.

Year after year as they tried to enslave us,
we prayed to God that He would come and
save us.
In each generation oppressors arose.
But who could oppose the Lord of Hosts?

Long, long ago Antiochus decreed
all people must bow down to idols made of
stone.
He tried every torture but could not succeed!
We worship none other, but God alone!

Powerful the armies, outrageous the foe!
From Asia, from Africa they came to draw the
bow on God's chosen people, the priests of the
Lord; to God's holy temple they marches in
bold accord.
