PRESIDENT'S MESSAGE

I am so thankful for everyone in each of these ensembles and I could not be prouder of the work everyone has put into these groups this semester. I would like to personally thank everyone who came out to watch our performance tonight, it truly means a lot to us. As an employee of the Maltz Performing Arts center, being able to share the work and joy of this club in this wonderful space is so gratifying. I will forever be thankful of the opportunities that this club has provided. I would like to thank my wonderful executive board for being so helpful in planning this performance as well, I could not have done it alone. Thank you all, once again, for coming and supporting us; I could not be more excited to share what we have been working on this past semester for you all tonight!

-Emma Bentley
