Hey Band!

It's that time again! The 2024 season is already shaping up to be an exciting one. The best way to sustain that excitement is being prepared and hitting the ground running!

Much has been planned and this short packet will let you know the details for the beginning of the semester and the pre-season camps!

As always, if you have any questions or concerns, feel free to email me.

Looking forward to another great season with all of you.

SMB Pre-Season General Information

Equipment

All SMB members must have an instrument, closed-toe shoes, and a personal flip folder for camp and all rehearsals. Flip folders can be ordered through any online music store or through Amazon. It is recommended that you also order extra pages for your flip folder.

This flip-folder will be for show music. You will be issued a separate flip folder with stand tunes for games that you will need to return at the end of the season.

The following instruments will need to provide their own lyres as well:

- Flute/Piccolo
- Clarinet
- Saxophone
- Trumpet
- Trombone/Baritone (bell-clamp lyre preferable)

For all outdoor rehearsals, you will also want to bring water, sunglasses, a hat, and sunscreen.

SMB will provide instruments for:

- Piccolo
- (Limited) Clarinet
- Tenor/Baritone Sax
- (Limited) Bb Trumpet
- Mellophone
- (Limited) Trombone w/ F attachment
- Marching Baritone
- Sousaphone
- Drumline (including sticks)

The SMB will NOT be providing mouthpieces for any instrument. Please procure an appropriate mouthpiece if one is needed. Here is the recommended mouthpiece list:

Clarinet: Whatever you have should be fine

Sax (any): Selmer C*

Trumpet: So help me if I see a JetTone or Bach 3F

Mellophone: UMI CKB Mello 6

Trombone/Baritone: Bach 12C or Bach 6 ½ AL (Large Shank if using school instrument)

Sousaphone: Perantucci PT-48 (preferred), Conn-Helleberg (acceptable)

Reeded instruments should always have a healthy supply of reeds handy. The SMB is going to experiment with synthetic reeds from time to time. In which case, you will be issued one synthetic reed for the season. Always have back up reeds regardless of whether you've been given a synthetic reed.

For uniformity purposes, the SMB will also provide all drumsticks for the drumline. It is the responsibility of individual drumline members to inform Dr. Helton of any stick replacements as soon as there's a need.

Uniforms

Uniforms will be issued during preseason camp. You will keep your uniform in your residence. The SMB provides all parts to the uniform with the exception of shoes and long black socks.

You may wear any brand of all-black marching shoes. If you do not have a pair from from High School, you will need to order them prior to the first football game.

We recommend Drillmasters if you need to order a pair.
