## Alex Lenhart

BS in Music Education, 2021 (CWRU)

MM in Music Performance, 2023 (University of Cincinnati, CCM)

My CWRU music education extends beyond the classroom. I use music education philosophies and techniques often in my performance and production roles, enabling effective communication with my peers as we make music at the highest level. I'm grateful for the wide range of practical industry skills I learned at CWRU as I navigate my career. Right now, those skills inform meaningful contributions to local and international military operations.

**Specialist, 101st Airborne Division Band**
