DESCRIPTION OF THE COURSE

This ensemble is open to all interested CWRU affiliated individuals who seek to continue their musical development by performing orchestral literature. Each person is required to audition each school year to determine ENTRANCE AND INITIAL SECTION PLACEMENT.

Generally, the group performs 4 to 6 concerts per year, and there may be additional rehearsals or performances outside of or normal class time. Great care has been given to schedule these extra practices at times when they don't conflict with other campus activities. But, given the fact that we perform concerts in venues that are not our own or have wide campus usage, we sometimes have to meet the requirements of these other facilities.

BROAD COURSE GOALS AND STUDENT LEARNING OUTCOMES

Broad Course Goals:

1. Listen actively and openly
2. Expand personal technique and ensemble skill on your instrument
3. Advance global musicianship skill (listening, communicating, phrasing with the group, demonstrating appropriate performance practice to the repertoire, etc . . .)
4. Develop analytical, creative, and intuitive understanding of music as a cultural language
5. Promote the highest level of human aspiration and artistic integrity through collaborative performances with orchestral colleagues
6. Explore creative endeavor through performance of Orchestral literature

7. Cultivate musical collaboration and leadership skills
8. Enrich the campus and local community through concerts, workshops, collaborations, lessons, and other public events

Student Learning Outcomes:

1. Demonstrate continued musical and technical growth through preparation of the assigned ensemble part [Advancing Personal Musicianship]
2. Apply knowledge of theoretical, historical and cultural contexts inclusive of all musical traditions through performance in the ensemble [Application of General Musical Knowledge in Performance]
3. Display leadership and collaborative demeanor in ensemble contexts [Participation, Professionalism and Collaboration in Rehearsals]
4. Listen openly and Apply Personal Musical and Technical skills to the ensemble part by:
 - [Application of PERFORMANCE SKILLS to the Ensemble in Performance]
 - a. Performing with good ensemble intonation
 - b. Executing accurate rhythms within the ensemble context
 - c. Appropriately matching articulation/diction in the group
 - d. Responding and conforming to the dynamics style, shape, phrasing of repertoire
 - e. Crafting appropriate tone quality, blend and balance within the ensemble
 - f. Additional items as each ensemble director deems appropriate for their situation

AUDITION REQUIREMENTS, PROTOCOLS, and REGISTRATION

ENTRANCE AND INITIAL PLACEMENT AUDITION

Auditions determine if you are at the performance level of the orchestra and assign you to the appropriate section. Once you audition and are accepted, you **REQUEST PERMISSION IN SIS** and then you will be cleared in to complete your registration.

When: **Fall Semester** - Beginning Monday, August 25 and going through Thursday, August 28, 2025 from approximately 2:30 to 10:00 pm in the Denison/Wade Rehearsal Facility.

***** Because Auditions take the entire first week of classes the first rehearsal of the semester will not be held until WEDNESDAY SEPTEMBER 3, 2025**

Spring Semester – Monday January 12, 2026 from 6:00 to 8:30 pm in the Denison/Wade Rehearsal Facility.

***** Auditions will be held on the first day of classes and the first rehearsal of the spring semester will commence on WEDNESDAY JANUARY 14, 2026**

The orchestra website is accessed from the Music Department home page under “Ensembles” and contains the most up to date information including audition protocol, requirements, excerpts, and the link to sign up for an audition.

REQUIRED TEXTS AND MATERIALS

Each orchestra member is expected to have all materials required to fulfill their obligations to the ensemble. These items include: an instrument in good working order; appropriate instrument accessories (endpin rest, shoulder rest, mute, etc . . .); and, a pencil for marking items in rehearsal. Additional materials that may be helpful are: a metronome, a tuner, and a music stand for personal practice.

In addition, each orchestra member will be assigned a folder of MUSIC (See MUSIC PROCEDURES below for additional information) to prepare for each concert. This MUSIC is to be considered a course text and must be returned at the end of each concert. And, it is your responsibility to care for the parts and return them in the condition they were issued to you. Keeping them in the folder is the best way to keep them in good condition as many of them are oversized.

Additional information may be posted in CANVAS or on the Google Group so regularly checking in with those platforms will assist you with your work in the class.

MUSIC PROCEDURES:

1. All string section parts will be distributed by stand so that the outside player has an original and the inside player has an authorized practice part. Winds and Percussion will have ONLY originals. It is the responsibility of the two string stand mates to see that the bowings get placed in the original part. But, due to the rotation of the string section, the distribution may not be equal. Each concert cycle will generate a roster which will list all personnel and part assignments. This will be posted on the orchestra Electronic Bulletin Board (Google Group) and posted in Denison Hall for your reference.
2. Each student is responsible for ALL MUSIC assigned. Marks made in the music should be made ONLY in pencil and must be erasable. See "Part Preparation" for what each student is **REQUIRED** to put in the part.

There are also instances where some of the music you are assigned is RENTED so that means that we are accountable to the Rental Company and all parts must be returned in good condition.

3. At the end of the performance, each student is to return their entire folder even if your folder ONLY CONTAINS COPIES. See the "CLASS POLICY" section for consequences of lost, destroyed, or missing music.

PERFORMANCE ATTIRE:

Our Performances are considered Professional Events so we need to dress accordingly.

Professional Performance Attire can be one of the following:

1. Dressy Black Long Skirt with Dressy Black Blouse, Pants or Black Dress (Intermission Length)
2. Tux or Black/Dark Suit with White Long Sleeve Dress Shirt w/Black Bowtie

3. Dark socks and or hose and black dress shoes

- PLEASE avoid flashy jewelry, skintight attire, platform shoes, short sleeves above the mid-arm, and white socks as these detract from music making.
- ABOVE ALL this attire must be PROFESSIONAL. Please use good judgment. Things like very short skirts, bare midriffs, t-shirts, etc. will not be tolerated and may result in dismissal from the performance.
- Be sure that you account for the fact that you are sitting elevated on the stage so some audience members will see you from below. Take this into consideration when you choose your performance attire.

CLASS POLICY

1. **REGISTER FOR THE COURSE:** ALL CASE STUDENTS PERFORMING IN THE CASE UNIVERSITY CIRCLE SYMPHONY ORCHESTRA ARE REQUIRED TO OFFICIALLY REGISTER FOR THIS COURSE EVEN IF IT IS FOR "0" HOURS CREDIT. If you are in the Ensemble as your primary group you will register for MUEN 385-100 and you can choose 0.0, 0.5, or 1.0 hours credit. It is advisable that you register for 1.0 credit if you have the load space.

If you are a "part time" performer and split your time with Symphonic Winds you should register for MUEN 385-101 for 0.5 or 0.0 credits.

2. Attendance is EXPECTED AT ALL REHEARSALS, SECTIONALS, COACHINGS AND PERFORMANCES. (See the Rehearsal and Performance section for more detailed information.)

a. UNIVERSITY POLICY DICTATES THAT A STUDENT CANNOT BE "COMPELLED" TO MISS A CLASS TO ATTEND TO THE REQUIREMENTS OF ANOTHER CLASS THAT IS OUT OF THE REGULAR MEETING SLOT. ORCHESTRA IS A CLASS. AS SUCH, YOU CANNOT BE "REQUIRED" TO MISS ORCHESTRA TO ATTEND THESE OTHER CLASS COMMITMENTS.

b. THERE MAY BE TIMES THAT THE SCIENCES HAVE EXAMS SCHEDULED OUTSIDE OF CLASS TIME AND SOME COURSES MAY HAVE OTHER OUT OF CLASS REQUIREMENTS. THESE HOWEVER ARE NOT EXCUSES FOR NOT ATTENDING REHEARSAL. IF THERE IS A CONFLICT, THEN DR. HORVATH WILL COMMUNICATE WITH YOUR OTHER INSTRUCTOR AND WORK IT OUT. LOOK OVER THE DATES IN ADVANCE SO THAT YOU CAN MAKE ARRANGEMENTS WHEN A CONFLICT ARISES.

****IF YOU FIND THAT THERE IS A CONFLICT, THEN BRING IT TO THE ATTENTION OF DR. HORVATH NO LATER THAN THE FOURTH FRIDAY OF THE SEMESTER. IN MANY CASES IT IS POSSIBLE FOR HER TO WORK WITH THE OTHER FACULTY MEMBER TO ARRANGE AN ALTERNATIVE DATE. FAILURE TO BRING THIS TO DR. HORVATH'S ATTENTION MEANS THAT YOU WILL HAVE AN ABSENCE.**

c. ACCORDING TO THE OFFICE OF GREEK LIFE A FRATERNITY OR SORORITY CANNOT "REQUIRE" YOU TO ATTEND A MEETING OR EVENT THAT WOULD CAUSE YOU TO MISS A CLASS. GREEK LIFE DOES NOT SANCTION ANY ORGANIZATION THAT "REQUIRES" A STUDENT TO MISS A CLASS TO ATTEND A MEETING. THIS ALSO APPLIES TO

REHEARSALS, DRESS REHEARSALS, AND PERFORMANCES. THERE ARE ALWAYS OTHER TIMES TO PARTICIPATE.

- d. **REGULAR REHEARSALS** begin at 7:00 pm. Please arrive with enough time to un-pack your instrument and assemble your music to **BEGIN** rehearsal at 7:00 pm. Most students require an additional 5 to 10 minutes to get set-up. PLEASE PLAN ACCORDINGLY. Being late is disruptive to rehearsal and as such will count against you. Therefore, arriving late 3 times will be considered the equivalent of 1 missed rehearsal. (See Absence Policy below for how this could affect your grade.)

For rehearsals at the Maltz Performing Arts Center (MPAC), Church of the Covenant, or other performance locations you will need to think ahead since these facilities are different then where we regularly meet. Plan accordingly for the extra time needed to get your instrument and music to that location.

When we rehearse in MPAC Shuttles will begin running 45 to 50 minutes before the start of the rehearsal and they will run from outside the Wade/Denison Rehearsal Facility and the Tinkham Veale University Center (TVUC). You can drive if you wish as parking is available, but the surface lot is quite far away so riding the shuttle may be easier. For students who play larger instruments you can drop off your instrument and then park. If you choose to park at MPAC on the day of the performance, you will have to pay \$5.00.

- e. **REHEARSAL ATTENDANCE IS EXPECTED.** Absence from rehearsal not only affects you, but the entire ensemble. Therefore, attendance will be figured into your grade. In many cases, such as in the wind section, you are the only person on your part, so when you miss, the part is missing as well. For strings, rehearsal is about creating precision in the section, coordinating bowing technique, matching vibrato, etc . . . so when you are not present, it is not possible to work on this.

Throughout the semester at pre-scheduled times, members of the CIM applied faculty, the Cleveland Orchestra, or other area musical experts will be asked to provide individual or sectional coaching to assist with the development of the aforementioned skills. It is expected that all performers will have prepared their parts in advance for such individualized rehearsals.

During the semester, there may be certain circumstances that could interfere with your attendance such as family emergency, illness, or university related travel. As such, up to 2 absences during a semester will be considered “excused.” It is not necessary to account for your whereabouts for these two rehearsals. Most performances have about 8 regular rehearsals so missing more than 2 means that you will miss over 25% of the preparation for that concert. Therefore, starting at 3 absences your course grade will be lowered using the following scale:

Absences	Grade Impact
0 – 2	No Impact
3 – 4	Reduction of ONE Letter Grade
5 – 6	Reduction of TWO Letter Grades
7 – 8	Reduction of THREE Letter Grades
9+	Failure of the Class

- f. **DRESS REHEARSAL ATTENDANCE IS EXPECTED.** An absence from a dress rehearsal automatically REDUCES your grade by ONE LETTER.
- g. **CONCERT PERFORMANCE ATTENDANCE IS EXPECTED.** An absence from a Concert Performance automatically REDUCES your grade by TWO LETTERS.
- h. **Set-Up and Take Down Duty** are essential functions to the running of the orchestra. It allows rehearsals to begin and end on time as well as guarantee that the load is evenly distributed among all personnel rather than on the same small group of individuals. We have ensemble staff to set-up for each rehearsal, but we need each orchestra member to assist with racking chairs and stands at the end of each rehearsal. Any performance that we give in spaces other than MPAC may require us to set-up and take down. In that case we may need several folks to assist with this task. This is an opportunity for you to earn extra points if you are in need of them. If you are present for both set-up and take down duty you will get enough points to wipe out an absence or 3 tardies.
- i. **Percussion Set-up and Take Down Responsibilities.** The Percussion section serves a crucial role in the ensemble but also requires some extra planning so that equipment is set up in time for rehearsal. Percussion students will be expected to set up and return any equipment to percussion storage that is not housed in the Wade Rehearsal Room. We do our best to plan around this situation, but it may require that Percussion students arrive a few minutes early to rehearsals and/or performances to see that percussion is set up and ready to go. The same may be required after rehearsals and/or performances. In order to be certain that all of the right equipment is in our performance location the percussion section leader will be involved in assisting with creating a list of equipment required for performances and coordinating with Dr. Horvath and Mr. Strawn to see that we have everything that we need for performances. As such, this may involve packing up or restowing equipment as part of the moving process.
3. If you require course adaptations or accommodation because of a disability please bring this to the attention of the Director as soon as possible. All students with disabilities are encouraged to register with the CWRU Coordinator of Disability Resources (368-5230).

disability@case.edu

4. Students are required to adhere to the standards of Academic Integrity. Comprehensive information can be found at:

<https://case.edu/studentlife/conduct/academic-integrity-resources>

5. The **MUSIC** that we use in this ensemble represents a substantial investment on the part of Case and/or other cooperating institutions so it must be cared for with respect. You are responsible for returning it in acceptable condition. PLEASE BE SURE TO MAKE ANY MARKINGS NEATLY IN PENCIL. FAILURE to return music will result in:
- A. withholding your final grade or diploma
 - B. required payment to replace the music if it is lost or destroyed. Total will be the actual cost of the replacement of the part
 - C. Failure to return a RENTAL part will result in the student bearing the fine imposed by the rental company. These fines can exceed \$500.00.*

6. **REHEARSAL DEMEANOR** is defined as your exhibited behavior in rehearsal. Playing in a large ensemble is akin to playing with an athletic team and as such each performer's part is integral to the success of the entire group. And, given that the repertoire is hard some rehearsals will be difficult as we work our way toward improvement. That is the rehearsal process and each meeting gets us closer to the performance. It is expected that you will be early for rehearsal so that you can set-up for tuning promptly at 7:00 pm. It is also expected that you will conduct yourself as a professional during rehearsal by:

- arriving early to prepare to begin rehearsal on time, tuning happens right at 7:00 pm
- demonstrating a positive attitude, being a constructive contributor, providing leadership, and being a good colleague
- being attentive and participative during rehearsal
- not engaging in conversation when you are not playing
- coming prepared with essential items like a pencil, mutes, extra strings, etc . . .
- preparing sections of your music that require additional outside practice, score study, or listening to professional recordings
- making sure that you **MARK MEASURE NUMBERS** in your part, not being able to find your place takes time away from rehearsal
- if you are a string player you must have bowings in your part **EVEN** if you read from your stand partner's part. On the occasion that your stand partner is not in attendance, you must have your part on you for every rehearsal.
- ***STOWING YOUR CELL PHONE AND NOT TEXTING OR E-MAILING DURING REHEARSAL. [FAILURE TO DO THIS CAN RESULT IN DISMISSAL FROM THE ENSEMBLE]***

*** If you exhibit behavior before, during, or after rehearsal that is counterproductive to the functioning of the ensemble or seriously detracts from music making, you will be asked to withdraw from the course.

7. **PART PREPARATION.** Each student is expected to work on the music apart from the regularly scheduled orchestra rehearsals. The repertoire performed in this ensemble is of professional quality and will require some regular practice time on your part. Our regular rehearsal time is for putting the ensemble together not for individuals to wood-shed their parts. This means working out fingerings, marking bowings, tuning individual passages, working on rhythmic precision, etc . . . cannot be done during rehearsal. And, on those occasions that you have coachings or sectional rehearsals with outside faculty or guest coaches, being prepared is critical for success. It is important that you taking some time to look over difficult passages between rehearsals.

******* MARKING MEASURE NUMBERS IS REQUIRED. OFTEN OLDER ORCHESTRAL EDITIONS DO NOT HAVE THEM INCLUDED. IN THESE CASES, A REHEARSAL LETTER TO NUMBER CONVERSION TABLE WILL BE DISTRIBUTED TO ASSIST YOU WITH MARKING THESE IN YOUR PART.**

IF YOU HAVE AN APPLIED TEACHER IT IS EXPECTED THAT YOU WILL GO OVER YOUR PARTS IN YOUR LESSON. IF YOU DO NOT HAVE A PRIVATE TEACHER PLEASE ASK Dr. HORVATH, YOUR SECTION LEADER, OR A GRADUATE TEACHING ASSOCIATE FOR ASSISTANCE.

As a CWRU Student you do have the option to take applied lessons if you wish and that is always available to you through a variety of means. See Dr. Horvath if you are interested.

It is often helpful for you to practice with a colleague or your stand partner as this serves to foster good ensemble skill.

When marking your parts use only **PENCIL** and mark neatly. It is strongly encouraged that while you are marking and preparing your part you also listen to a recording and look over the full score to get a more complete sense of the entire work. The University has a membership with NAXOS so you have access to outstanding professional recordings through the library. Additional sources for recordings are YouTube (and often have a score to accompany the recording), Spotify, etc . . . Scores can often be located in the Kulas Music Library at CIM or online through IMSLP. Looking over the score is very helpful to see how your part fits with the rest of the ensemble.

If you routinely come to rehearsal unprepared, you will drop one letter grade, and you may be asked to drop the class. Preparation is your responsibility.

8. **Extra Points.** If for some reason you find yourself in need of additional points because of an unexcused absence, or several tardies, you can volunteer for some extra orchestra duties such as setting up or taking down for a specific performance or volunteer for additional duties such as filing music, or assisting with instrument inventory.

9. **Rehearsal and Class Information:** The orchestra has as **Electronic Bulletin Board** (ie: Google Group) that serves as a means of communication regarding rehearsal order and other relevant information. Once you have completed your audition you will be sent an invitation to “join” the Orchestra Google Group and it is expected that you will complete your sign up by following the directions. Once enrolled, you need to monitor this resource so that you get this information. Failure to be attentive to this this will result in you missing vital information. To sign up, simply follow the directions in the e-mail that is sent to you.

When you are no longer enrolled in the orchestra you can simply remove yourself from the group.

GRADING POLICY AND EVALUATION CRITERIA

There will be three primary considerations for grading: **PREPARATION**, **PARTICIPATION**, and **PERFORMANCE**. Each member is expected to be responsible, respectful, and to contribute a positive work ethic to the ensemble. ***PREPARATION and PARTICIPATION*** account for 70% of your grade and ***PERFORMANCE*** accounts for the other 30%.

PREPARATION: Members are expected to practice their music apart from the regularly scheduled rehearsals, sectionals and coaching. This means working out fingerings, marking in bowings, listing measure numbers, etc . . . Our ensemble rehearsal time is for bringing the group together musically. Some sectional or coaching rehearsals may be held to assist with learning difficult passages, so preparation is important to

your success. All students should plan individual or small group practice time on a regular basis. (INDIVIDUAL PRACTICE IS PREPARATION) Consistently demonstrating unpreparedness in rehearsal will affect your grade. [Aligned with Learning Outcomes 1 & 2] { **PREPARATION IS 20% OF YOUR GRADE** }

PARTICIPATION: All rehearsals and performances are required for all members of the Case University Circle Orchestra. In addition, a commitment to service is necessary to keep things running smoothly. The rehearsal and performance schedule is posted in August for the entire academic year so there is no reason that you do not have the schedule. (WEEKLY REHEARSALS AND DRESS REHEARSALS ARE CONSIDERED PARTICIPATION) Not attending rehearsals will affect your grade. [Aligns with Learning Outcomes 1, 2, 3 & 4] { **PARTICIPATION IS 50% OF YOUR GRADE** }

PERFORMANCE: Performances are considered your EXAMS in this course, so your positive participation is extremely important! [Aligns with Learning Outcomes 1, 2, 3 & 4] { **PERFORMANCE IS 30% OF YOUR GRADE** }

* Not attending the Performance will affect your grade

* As part of the class requirements you will also be required to attend other Ensemble Performances during class time. Attendance at these also counts toward your grade.

Most of our Performances that are in MPAC will be livestreamed so that your friends, family, or others can watch them from home. The link for these performances is:

<https://case.edu/livestream/mpac1>

See the CLASS POLICY SECTION for additional information.

DRESS REHEARSALS are usually 2 hours or longer and fall on various days and times depending on when we have access to MPAC.

Basic repertoire has been programmed but is subject to change if circumstances warrant.

SCHOOL INSTRUMENTS: If for some reason you do not own your own instrument or if your instrument requires extensive repair, we have a limited number of school instruments that orchestra members can borrow. There is no fee for using these instruments, but each student must sign a contract that transfers sole responsibility for the care and safe return of the instrument to the student. Any damage to the instrument that is not part of regular wear and tear becomes the student's responsibility. Also, accessories or supplies such as extra strings, end-pin rests, mutes, and rosin etc... are to be the responsibility of the student. There is information about requesting a school instrument on the website. Once you fill out the form and permission is granted you will be contacted by the Music Department to obtain access the instrument.

INSTRUMENT STORAGE ROOM OR LOCKERS: Lockers are available to any student who is registered in an ensemble. To obtain a locker you need to fill out a **Locker Request Form** that is available on the Orchestra website and you will then be sent your locker assignment.

INSTRUMENT TRANSPORTATION FOR DRESS REHEARSALS and CONCERTS: Some of you may play larger instruments (Double Bass, Harp, Tuba, etc . . .) that are not suitable to be transported on the shuttle busses and getting them over to the Maltz Performing Arts Center can pose a challenge.
