Alumni Profile

Thomas Lipker

BA Music | BA Economics, 2022 (CWRU)
JD, 2025 (CWRU)

Case Western Reserve University offered exceptional opportunities to pursue my passion for music while completing a well-rounded education over seven years. My involvement in numerous ensembles, performances, and campus events provided meaningful experiences that strengthened my leadership, communication, and organizational skills—qualities that continue to benefit my work in law. The collaborative and interdisciplinary environment at CWRU also enhanced my ability to connect with others and engage with the broader Cleveland community. I am sincerely grateful for the ongoing support of CWRU faculty and staff and look forward to remaining an active and engaged alumnus.
