

# CERMACS

Central Regional Meeting of the American Chemical Society

*Cleveland, Ohio*

**May 20-23, 2009**

American  
Chemical  
Society

## Meeting Energy & Environmental Challenges Through Functional Materials

*Convening at the historic Renaissance Cleveland Hotel  
24 Public Square, Cleveland, Ohio 44106*

[acsmeeting@gmail.com](mailto:acsmeeting@gmail.com)

### Topical Symposia:

Energy Storage and Energy Conversion  
Functional Materials  
Women in Electrochemistry  
Chemical Education K-12  
Chemical Biology  
Homeland Security  
Art and Science  
Forensic Science  
Health Impact of Nanomaterials  
Environmental Chemistry  
Lunar Regolith and Simulants  
Solid State Chemistry  
Safety in the Industrial Environment  
Computational Chemistry  
Protein NMR  
100 Years of Chemistry in Cleveland  
The Morley Award Symposium

### General Symposia:

Analytical	Biochemistry
Inorganic	Organic
Physical	Polymer

### Co-Sponsoring Organizations:

The Electrochemical  
Society

The Society for  
Applied Spectroscopy

The American  
Vacuum Society

The Ernest B. Yeager Center  
for Electrochemical Sciences
