# Coverage

- *CINAHL* provides indexing for journals from the fields of nursing and allied health, with indexing back to 1937. Offering complete coverage of English-language nursing journals and publications from the National League for Nursing and the American Nurses' Association, *CINAHL Plus with Full Text* covers nursing, biomedicine, health sciences librarianship, alternative/complementary medicine, consumer health and 17 allied health disciplines. In addition, this database offers access to health care books, nursing dissertations, selected conference proceedings, standards of practice, educational software, audiovisuals and book chapters, as well as Evidence-Based Care Sheet. Searchable cited references for many journals are also included. *CINAHL Plus with Full Text* provides full text 337 of journals, plus legal cases, clinical innovations, critical paths, drug records, research instruments and clinical trials. PDF backfiles to 1937 are also included.
