## About PsychINFO...

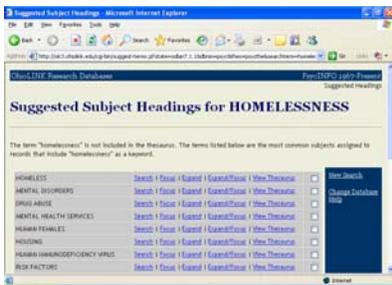

## Searching for **HOMELESSNESS** in the thesaurus

## Note the options when there is no direct match

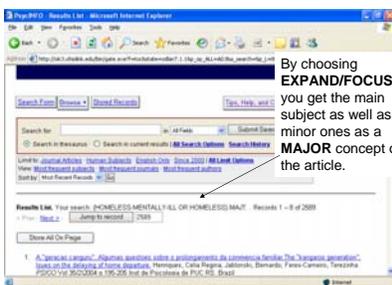

## Suggested Subject Headings

## Using the thesaurus wisely

- **Search** - find records with this term as a subject heading.
- **Focus** - find records with this term identified as a *major* subject heading.
- **Expand** - find records with this term as a subject heading or with a subject heading of any narrower term from the thesaurus.
- **Expand/Focus** - find records with this term as a major subject heading or with a major subject heading of any narrower term in the thesaurus.

## Choosing **MAJOR** Headings

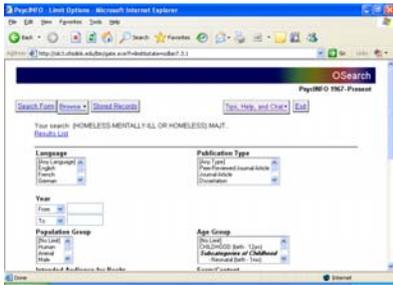

By choosing **EXPAND/FOCUS**, you get the main subject as well as any minor ones as a **MAJOR** concept of the article.

## Stored Records

## Stored Records

If you want to save records for later importing into bibliographic management software, choose EXPORT.

## EXPORT RECORDS

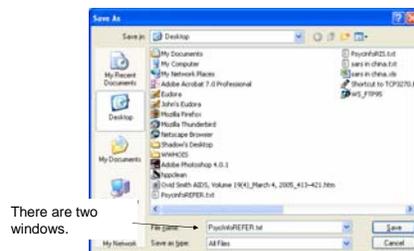

REFER works most of the time. DOWNLOAD is a safe choice.

## SAVE!!

## The SAVED File !

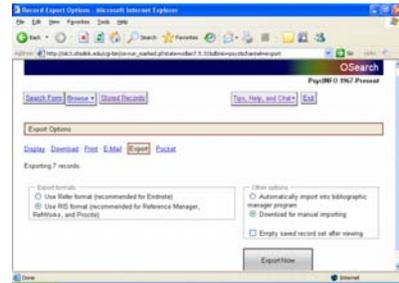

There are two windows.

## The **SAVED** File !

- Remember the name of the file – add something that lets you know what kind of file it is.
- Remember the **.txt** file extension.
- Remember where you store the file.
- In OhioLINK, change the second drop-down window to **ALL FILES**.
- Sometimes in OhioLINK, you can save time and frustration by saving in both formats – **REFER** and **RIS** in case one of them does not work properly.

## **SAVE** Again!

## PsycINFO Tips
