

# Do you have Access?

To access Cleveland Health Sciences Library electronic resources, follow these steps:

## Uninstall

Uninstall Cisco AnyConnect (if necessary)

1

## Download

& Install the new VPN client: Fortinet from [U]Tech.

<https://vpnsetup.case.edu>

2

## Register

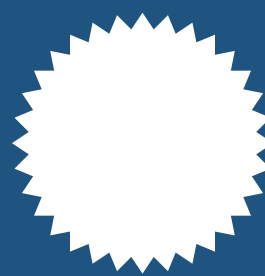

Before you can use Fortinet Register for DUO Two-Factor Authentication

3

## Clear out

Clear your Cookies, Cache, & History Until the beginning of time!

4

## Log in

Once you log in to Fortinet...

5

## Library

Go to the library website for access: [case.edu/chslibrary](https://case.edu/chslibrary)

6

## Access

Use our links to PubMed, databases, ejournals, ebooks, and research guides!

7
