<td>E.W. “Al” Thrasher Award</td>
<td>Thrasher Research Fund</td>
<td>Ongoing</td>
<td>The purpose of the E.W. “Al” Thrasher Awards is to improve children’s health through medical research, with an emphasis on projects that have the potential to translate into clinically meaningful results within a few years.</td>
<td><a href="https://www.thrasherresearch.org/SitePages/al-thrasher-award.aspx">https://www.thrasherresearch.org/SitePages/al-thrasher-award.aspx</a></td>
</tr>
<tr>
<td>IADR E.W. Borrow Memorial Award</td>
<td>International Association for Dental Research</td>
<td>Ongoing</td>
<td>This award is intended to recognize and stimulate research in oral health promotion for children.</td>
<td><a href="http://www.iadr.org/IADR/Awards/Grants-Awards/Borrow">http://www.iadr.org/IADR/Awards/Grants-Awards/Borrow</a></td>
</tr>
<tr>
<td>CTSC Core Utilization Pilot</td>
<td>Case Western Reserve University</td>
<td>Ongoing</td>
<td>Supports investigator use of and familiarity with CTSC Core operations and personnel, in anticipation of applications for external funding using CTSC resources.</td>
<td><a href="https://case.edu/medicine/ctsc/pilot-programs/core-utilization-pilot">https://case.edu/medicine/ctsc/pilot-programs/core-utilization-pilot</a></td>
</tr>
<tr>
<td>Oral Health 2020</td>
<td>DentaQuest</td>
<td>Ongoing</td>
<td>DentaQuest Foundation will offer three different types of grant partnerships as part of Oral Health 2020: Strengthening the Network, Partner Organizations, and Environmental/Policy Analysis opportunities. Applicants are encouraged to explore how their concepts align with these proposal types.</td>
<td><a href="http://www.dentaquestfoundation.org/oh2020/submitconcept">http://www.dentaquestfoundation.org/oh2020/submitconcept</a></td>
</tr>
<tr>
<td>Scientific Research Grant</td>
<td>Delta Dental of Michigan, Ohio, and Indiana</td>
<td>Ongoing</td>
<td>The Foundation has an interest in fostering research related to oral health, especially research which could have direct clinical application with significant potential for reducing treatment costs along with improving oral health.</td>
<td><a href="https://www.deltadentistry.com/about/community/philanthropy/scientific-research-grants.html">https://www.deltadentistry.com/about/community/philanthropy/scientific-research-grants.html</a></td>
</tr>
<tr>
<td>W. M. Keck Foundation Research Program</td>
<td>W. M. Keck Foundation</td>
<td>4/12/2019</td>
<td>The foundation funds fundamental, high-risk research in two specific areas: (1) medical research and (2) science and engineering. This is a limited submission opportunity; only 2 applicants are allowed from CWRU.</td>
<td><a href="https://case.edu/research/node/1091">https://case.edu/research/node/1091</a></td>
</tr>
<tr>
<td>Samuel D. Harris Research and Policy Fellowship</td>
<td>American Academy of Pediatric Dentistry</td>
<td>4/12/2019</td>
<td>Conduct oral health policy research, including but not limited to health services research, that advances children’s oral health issues and supports AAPD public policy and public relations initiatives.</td>
<td><a href="https://www.aapd.org/assets/1/7/2019-20_harris_fellowship.pdf">https://www.aapd.org/assets/1/7/2019-20_harris_fellowship.pdf</a></td>
</tr>
<tr>
<td>Pathways to Stop Diabetes</td>
<td>American Diabetes Association</td>
<td>April 16, 2019 (anticipated)</td>
<td>Pathway seeks to bring new investigators and new perspectives to diabetes research. Pathway solicits nominations for candidates in all disciplines as applied to diabetes including medicine, biology, chemistry, computing, physics, mathematics and engineering. Each institution is allowed a maximum of one nomination. The nomination can be in one of the three available Pathway award types: Initiator, Accelerator or Visionary.</td>
<td><a href="https://research.case.edu/limitedsubmissions/ADA_Pathway2014_cms">https://research.case.edu/limitedsubmissions/ADA_Pathway2014_cms</a></td>
</tr>
<tr>
<td>Program Support</td>
<td>Patterson Foundation</td>
<td>April 20, 2019 (anticipated)</td>
<td>The Patterson Foundation is committed to investing in programs that strengthen communities by helping those most in need live healthy lives. The Patterson Foundation’s resources are focused in the areas of Oral Health (The Patterson Foundation supports programs that expand access to restorative and emergency dental care for individuals in need. Priority is given to organizations that are staffed primarily by volunteer dental professionals and/or students.) and Animal Health.</td>

<tr>
<td>Advancing Cancer Immunotherapy by Mitigating Immune-Related Adverse Events (IRA)</td>
<td>National Institutes of Health</td>
<td>4/25/2019</td>
<td>The overarching goal is to support studies aimed at generating improved cancer immunotherapies that reduce the incidence and/or severity of IRAEs while retaining anti-tumor efficacy.</td>
<td><a href="https://grants.nih.gov/grants/guide/rga-files/RFA-CA-19-044.html">https://grants.nih.gov/grants/guide/rga-files/RFA-CA-19-044.html</a></td>
</tr>
<tr>
<td>Networks for Oral Health Integration within the Maternal and Child Health Safety Net</td>
<td>HRSA</td>
<td>4/29/2019</td>
<td>The purpose of this program is to improve access to and delivery of comprehensive, quality oral health care for children, 0-17 years of age, by testing and establishing models of care utilizing three collective strategies: (1) enhanced integration of oral health care within MCH safety net services; (2) increased knowledge and skills among health care providers for delivering optimal dental services; and (3) increased knowledge and awareness of preventive oral health practices among parents/caregivers to increase adoption of these behaviors including use of needed dental services.</td>
<td><a href="https://www.hrsa.gov/grants/fundingopportunities/default.aspx?id=29d31cbb-4874-4fac-9b5c-dc749706acc1">https://www.hrsa.gov/grants/fundingopportunities/default.aspx?id=29d31cbb-4874-4fac-9b5c-dc749706acc1</a></td>
</tr>
<tr>
<td>Bud and Linda Tarrson Fellowship</td>
<td>American Academy of Periodontology</td>
<td>5/1/2019 (anticipated)</td>
<td>The fellowship is for periodontists pursuing academic careers. The award is not intended to replace support that would normally have been provided by the recipient's institution. Candidates for the Fellowship must be either a full-time faculty member at the instructor or assistant level or a part-time faculty member. The candidate must be affiliated for 10 years or less with a degree-granting institution, and their career goal must be teaching and research in periodontology. Applications will be accepted only from candidates at U.S. institutions.</td>

</table>
Healthy Habits: Timing for Developing Sustainable Healthy Behaviors in Children and Adolescents (R21 Clinical Trial Optional)  
NIH - NINR, Standard Due Dates through 1/8/2021  
Funding Opportunity Announcement (FOA) is intended to stimulate applications that employ innovative research to identify mechanisms of influence and/or promote positive sustainable health behavior(s) in children and youth (birth to age 18). Positive health behaviors may include: developing healthy sleep patterns, developing effective self-regulation strategies, employing effective decision-making in risk situations, practicing proper dental hygiene, eating a balanced and nutritious diet, engaging in age-appropriate physical activity and/or participating in healthy relationships.  

NIDCR Small Research Grants for Oral Health Data Analysis and Statistical Methodology Development (R03 Clinical Trial Not Allowed)  
National Institutes of Health, Standard due dates through 1/8/22  
The goal of this FOA is to fund mentorous research projects that involve secondary data analyses using existing database resources. The development of statistical methodology necessary for improving methods to analyze oral health data using existing oral health data may also be proposed.  

Norton M. Ross Award for Excellence in Clinical Research  
American Dental Association  
Deadline 6/30/2019 (anticipated)  
The Award recognizes an individual who has made significant contributions in clinical investigations that have advanced the diagnosis, treatment, and/or prevention of craniofacial or dental diseases, as well as outstanding research endeavors in other areas associated with dental, oral and craniofacial (DOC) tissues.  
[Link](https://www.ada.org/en/science-research/ada-scientific-research/norton-m-ross-award-for-excellence-in-clinical-research)

Gold Medal Award for Excellence in Dental Research  
American Dental Association  
Deadline 6/30/2019 (anticipated)  
The Award honors individuals who, through basic or clinical research, have contributed to the advancement of the profession of dentistry or to major improvement in the oral health of the public.  
[Link](https://www.ada.org/en/science-research/ada-scientific-research/gold-medal-award)

Scholars Program **(Note that only one application is allowed from the SODM. If you are interested, please let Tricia Ribeiro know so that we can track.)**  
William T. Grant Foundation  
Deadline 7/2/2019  
The William T. Grant Scholars Program supports career development for promising early-career researchers. The program funds five-year research and mentoring plans that significantly expand researchers' expertise in new disciplines, methods, and content areas.  
[Link](https://wetgrantfoundation.org/grants/william-t-grant-scholars-program)

Research Grant  
American Academy of Implant Dentistry  
Deadline 8/9/2019  
Up to four research grants from $10,000 to $25,000. These grants are awarded to faculty, clinicians, or researchers in the field of implant dentistry. The grants are evaluated and funded based on the proposal's scientific nature and ability to advance the art and science of implant dentistry.  
[Link](https://www.aaid.com/foundation/Grants_and_Activities.html)

3M Innovative Research Fellowship  
American Dental Association  
Deadline 8/1/2019 (anticipated)  
This fellowship is designed to encourage and engage researchers who are innovating and leading the way to advance dental materials science. The focus of the program is particularly to support future oriented new pathways and methods in dental research.  
[Link](https://www.ada.org/en/science-research/3m-innovative-research-fellowship)

Oral Health Grants  
ADEAGies Foundation  
Deadline 9/1/2019 (Anticipated)  
The ADEAGies Foundation provides grants to improve the oral health of the public through the support of dental education institutions; the encouragement of lifelong learning, and the recognition of scholarly achievement, professional ethics and values, and publications in dental education and research.  
[Link](http://www.adea.org/ADAEgiesFoundation/Information-for-Grants-Seekers.aspx)

American Cancer Society IRG Awards  
CWRU/American Cancer Society  
Deadline 9/1/2019 (anticipated)  
Pilot funding for CANCER-RELATED research with a basic, clinical, prevention & control, behavioral, health services, or epidemiological focus.  
[Link](https://case.edu/cancer/research/funding-opportunities/american-cancer-society-irg-awards)

IADR Distinguished Scientist Award (multiple areas)  
International Association for Dental Research  
Deadline 9/1/2019 (anticipated)  
The IADR Distinguished Scientists Award program was designed to acknowledge renowned scientists who have made significant scientific contributions of original, outstanding, or innovative discoveries in the related field of research. There are 17 awards in various scientific research specialties.  
[Link](http://www.iadr.org/IADR/Awards/Grants-Awards/Distinguished-Scientists)

Roe Green Center for Travel Medicine Research Support  
UH Cleveland Medical Center  
Deadline 9/1/2019 (anticipated)  
To support interdisciplinary projects that will have positive impacts on dental care experiences for children 0-5 years of age.  
[Link](http://www.allianceforacavityfreefuture.ca/en/cq/home)

**Inter professional Grants**  
Alliance for a Cavity-Free Future  
Deadline 9/1/2019 (anticipated)  
To supportInterprofessional projects that will have positive impacts on dental care experiences for children 0-5 years of age.  
[Link](http://www.allianceforacavityfreefuture.ca/en/cq/home)

Community Engaged Approaches to Understand and/or Reduce Health Disparities Pilot Award  
CWRU Center for Reducing Health Disparities  
Deadline 9/1/2019 (anticipated)  
The aim of the pilot(s) is to develop investigators with a capacity to engage in partnerships with communities to conduct high-quality health disparities research. Investigations of interest include the development, pilot testing, and/or dissemination of community-based studies to understand and/or eliminate health disparities.  
[Link](https://reducedisparity.org/services/crhd-pilot-awards/)

Andrew Carnegie Fellows  
Carnegie Corporation  
Deadline 9/1/2019 (anticipated)  
The purpose of the Andrew Carnegie Fellows Program is to support high-caliber scholarship in the social sciences and humanities, making it possible for the recipients to devote time to research and writing that addresses pressing issues and cultural transitions affecting us at home and abroad.  
[Link](https://case.edu/research/node/1021)

Program Grants  
Anthem Foundation  
Deadline 9/2019 - anticipated  
Anthem Foundation Program Grants support ongoing community health programs with proven and measurable outcomes.  
[Link](http://www.anthemcorporateresponsibility.com/funding-giving/)

STTR-Advancing Imaging, Device Production, and Clinical Capabilities in Digital Dentistry (R44 Clinical Trial Not Allowed)  
NIH - NIDCR  
Deadline 9/5/2019 and standard due dates through 9/6/2021  
This Funding Opportunity Announcement (FOA) encourages innovation, optimization and customization of core technologies in digital dentistry that improve efficiency of oral healthcare delivery, effectiveness of clinical decision-making and outcomes of treatments associated with dental, oral and craniofacial (ODC) tissues.  

SBIR - Advancing Imaging, Device Production, and Clinical Capabilities in Digital Dentistry (R44/R44 Clinical Trial Not Allowed)  
NIH - NIDCR  
Deadline 9/5/2019 and standard due dates through 9/6/2021  
This Funding Opportunity Announcement (FOA) encourages innovation, optimization and customization of core technologies in digital dentistry that improve efficiency of oral healthcare delivery, effectiveness of clinical decision-making and outcomes of treatments associated with dental, oral and craniofacial (ODC) tissues.  

Collaborative Sciences Award  
American Heart Association  
Deadline October 8, 2019 (LOI - anticipated)  
To foster innovative collaborative approaches to research projects that propose novel pairings of investigators from at least two broadly disparate disciplines. The proposal must focus on the collaborative relationship, such that the scientific objectives could not be achieved without the efforts of at least two co-principal investigators and their respective disciplines.

<tr>
<td>Clinical Research to Improve the Oral Health of Older Adults - R01 and R21 Mechanisms available. R01 is linked; link to R21 contacted on that site</td>
<td>NIH</td>
<td>10/5/2019 and all standard due dates through September 2020</td>
<td>To address gaps in our knowledge related to the risk factors, access to care barriers, oral health promotion and disease prevention strategies, and clinical management of dental, oral, and craniofacial (DOC) diseases more commonly experienced by older adults.</td>
<td><a href="https://grants.nih.gov/grants/guide/pa-files/PAR-19-239.html">https://grants.nih.gov/grants/guide/pa-files/PAR-19-239.html</a></td>
</tr>
<tr>
<td>IADR Distinguished Service Award</td>
<td>International Association for Dental Research</td>
<td>10/12/2019 - anticipated</td>
<td>Presented to an individual member of the International Association for Dental Research (IADR) for outstanding instances of service to the Association or distinguished service over a period of time. It is intended to recognize members who have not served as officers of the IADR.</td>
<td><a href="http://www.iadr.org/IADR/Awards/Grants-Awards/Distinguished-Service">http://www.iadr.org/IADR/Awards/Grants-Awards/Distinguished-Service</a></td>
</tr>
<tr>
<td>Open Philanthropy Project Challenge: Bioinspiration and Unusual Biology</td>
<td>Open Philanthropy Project</td>
<td>10/13/2019 - anticipated</td>
<td>The Open Philanthropy Project is interested in promoting exploratory research into novel or previously unexplored biological processes that have the potential for application in human medicine or design of new tools or materials. The objective is to identify proposals that demonstrate significant innovative potential.</td>
<td><a href="https://www.innocentive.com/cp/challenge/9949381">https://www.innocentive.com/cp/challenge/9949381</a></td>
</tr>
<tr>
<td>CTSC KL2 Training Program</td>
<td>Case Western Reserve University</td>
<td>10/15/2019 - anticipated</td>
<td>The CTSC KL2 is committed to producing excellent independent clinical investigators capable of leading multidisciplinary team-based research.</td>
<td><a href="https://case.edu/medicine/ctsc/education-and-training/kl2-training-program/program-details">https://case.edu/medicine/ctsc/education-and-training/kl2-training-program/program-details</a></td>
</tr>
<tr>
<td>CTSC Annual Pilot Program</td>
<td>Case Western Reserve University</td>
<td>10/15/2019 - anticipated</td>
<td>The CTSC Annual Pilot Program is for researchers to conduct innovative translational research projects focused on the invention, preclinical development and/or first in man studies of novel therapeutic agents, biomedical devices, and diagnostics designed to address unmet clinical needs.</td>
<td><a href="https://case.edu/medicine/ctsc/pilot-programs/annual-pilot">https://case.edu/medicine/ctsc/pilot-programs/annual-pilot</a></td>
</tr>
<tr>
<td>American Association of Periodontology Sunstar Innovation Grant</td>
<td>AAAP/Sunstar Foundation</td>
<td>11/18/2019 - anticipated</td>
<td>The AAP’s SUNSTAR Innovation grant supports member research that aims to identify novel and innovative evidence-based periodontal treatment approaches to enhance patient care.</td>
<td><a href="https://www.genio.org/members/grants">https://www.genio.org/members/grants</a></td>
</tr>
<tr>
<td>Health Data for Action</td>
<td>Robert Wood Johnson Foundation</td>
<td>12/2020 - anticipated</td>
<td>Health Data for Action aims to reduce the barriers often faced in accessing rich data by serving as a conduit between data owners and interested researchers.</td>
<td><a href="https://www.academyhealth.org/about/programs/health-data-for-action">https://www.academyhealth.org/about/programs/health-data-for-action</a></td>
</tr>
<tr>
<td>IADR Academy of Osseointegration innovation in implant Sciences Award</td>
<td>International Association for Dental Research</td>
<td>Anticipated - 12/14/2019</td>
<td>The Award is intended to help investigators pursue innovative and novel research in oral care that involves, but is not limited to, dental implant therapy.</td>
<td><a href="http://www.iadr.org/IADR/Awards/Grants-Awards/AOIDIAA">http://www.iadr.org/IADR/Awards/Grants-Awards/AOIDIAA</a></td>
</tr>
<tr>
<td>IADR Innovation in Oral Care Award</td>
<td>International Association for Dental Research</td>
<td>Anticipated - 12/14/2019</td>
<td>Proposals focus on new innovative oral care technologies that can be used routinely by the public to maintain and improve oral health and the quality of life.</td>
<td><a href="http://www.iadr.org/IADR/Awards/Grants-Awards/DIAC">http://www.iadr.org/IADR/Awards/Grants-Awards/DIAC</a></td>
</tr>
<tr>
<td>ACES+ Advance Opportunity Grant</td>
<td>Case Western Reserve University</td>
<td>Anticipated - 12/14/2019</td>
<td>Advance Opportunity Grants provide small amounts of supplemental support of current or proposed projects and activities where funding is difficult to obtain through other sources.</td>
<td><a href="https://case.edu/aces/grants">https://case.edu/aces/grants</a></td>
</tr>
<tr>
<td>Osseointegration Foundation Research Grants</td>
<td>Academy of Osseointegration</td>
<td>Anticipated - 12/14/2019</td>
<td>Dental professionals pursuing groundbreaking dental implant research may be eligible for as much as $30,000 in research grants. Applications that address areas of research to enhance the public acceptance of implants are encouraged.</td>
<td><a href="https://osseo.org/grant-programs/">https://osseo.org/grant-programs/</a></td>
</tr>
<tr>
<td>Small Grants Program</td>
<td>American Association of Public Health Dentistry</td>
<td>Anticipated - 12/14/2019</td>
<td>The Small Grant Program is designed to stimulate innovative education or research projects that benefit dental public health and the public.</td>
<td><a href="https://www.aaphd.org/small-grants-program">https://www.aaphd.org/small-grants-program</a></td>
</tr>
<tr>
<td>Healthy Smiles, Healthy Children Grants</td>
<td>Healthy Smiles, Healthy Children (HSHC): The Foundation of the American Academy of Pediatric Dentistry</td>
<td>Anticipated - 12/21/2019</td>
<td>HSHC Grants are Single-Year grants of up to $20,000, supporting community-based initiatives in the U.S. that provide dental care and ultimately serve as a Dental Home to underserved/limited access children.</td>
<td><a href="https://healthysmileshealthychildren.org/what-we-do-apply/">https://healthysmileshealthychildren.org/what-we-do-apply/</a></td>
</tr>
<tr>
<td>UCITE - Learning Fellowship</td>
<td>Case Western Reserve University</td>
<td>1/1/2020 (anticipated)</td>
<td>The Learning Fellows program is a semester-long seminar structured by weekly meetings. In each session, faculty will consider innovative best practices that can be applied within classroom environments to enhance student engagement and learning.</td>
<td><a href="https://case.edu/ucite/grants-fellowships/learning-fellowship">https://case.edu/ucite/grants-fellowships/learning-fellowship</a></td>
</tr>
<tr>
<td>IADR Colgate Research in Prevention Travel Awards</td>
<td>International Association for Dental Research</td>
<td>January 2020 - anticipated</td>
<td>The objective of this award program is to encourage young investigators to undertake research in the prevention of oral diseases and to facilitate their presentation of this work to the international dental and oral health research community.</td>
<td><a href="http://www.iadr.org/IADR/Awards/Grants-Awards/CRPTA">http://www.iadr.org/IADR/Awards/Grants-Awards/CRPTA</a></td>
</tr>
<tr>
<td>IADR Kulzer Travel Award</td>
<td>International Association for Dental Research</td>
<td>January 2020 - anticipated</td>
<td>The objective of this award program is to encourage young investigators to undertake research in new/innovative testing methods of dental materials, and new ideas and approaches to improve and develop dental materials.</td>
<td><a href="http://www.iadr.org/IADR/Awards/Grants-Awards/Kulzer">http://www.iadr.org/IADR/Awards/Grants-Awards/Kulzer</a></td>
</tr>
<tr>
<td>IADR Unilever Hatton Competition &amp; Awards</td>
<td>International Association for Dental Research</td>
<td>January 2020 - anticipated</td>
<td>Awards are made to young investigators selected by each of the IADR Divisions and non-Divisional Sections and judged best in presenting meritorious oral presentations on original research at the IADR General Session.</td>
<td><a href="http://www.iadr.org/IADR/Awards/Competitions/Hatton-Competition">http://www.iadr.org/IADR/Awards/Competitions/Hatton-Competition</a></td>
</tr>
<tr>
<td>WORLD DENTAL HYGIENIST AWARDS</td>
<td>Sunstar Foundation</td>
<td>January 2020 - anticipated</td>
<td>The Sunstar Foundation has established the World Dental Hygienist Awards to recognize dental hygienists who have made significant contributions to dental hygiene science or to patients, the community and the general public.</td>
<td><a href="http://www.sunstarfoundation.org/awards/world-dental-hygienist-awards/how-to-apply/12">http://www.sunstarfoundation.org/awards/world-dental-hygienist-awards/how-to-apply/12</a></td>
</tr>
<tr>
<td>Culture of Health Leaders</td>
<td>Robert Wood Johnson Foundation</td>
<td>2/1/2020 - Anticipated</td>
<td>Culture of Health Leaders is a leadership development opportunity for people working in every field and profession who want to use their influence to advance health and equity.</td>
<td><a href="http://cultureofhealth-leaders.org/">http://cultureofhealth-leaders.org/</a></td>
</tr>
<tr>
<td>Agilent Early Career Professor Award</td>
<td>Agilent</td>
<td>2/1/2020 - Anticipated</td>
<td>The purpose of the Agilent Early Career Professor Award is to promote and encourage excellent research enabling measurements of importance to Agilent Technologies and the world, establish strong collaborative relationships between Agilent researchers and leading professors early in their career, and build the prominence of Agilent as a sponsor of university research.</td>
<td><a href="https://www.agilent.com/univ_relation/profaward/index.shtml">https://www.agilent.com/univ_relation/profaward/index.shtml</a></td>
</tr>
<tr>
<td>Eugene Washington PCORI Engagement Awards</td>
<td>PCORI</td>
<td>LOI Due: February 2020 (anticipated)</td>
<td>Our goal is to support projects that build communities prepared to participate in patient-centered outcomes research (PCOR) and comparative clinical effectiveness research (CER), as well as to serve as channels for disseminating study results.</td>
<td><a href="https://www.pcori.org/funding-opportunities/announcement/engagement-award-capacity-building">https://www.pcori.org/funding-opportunities/announcement/engagement-award-capacity-building</a></td>
