

To the Rev. President Storr, of Hudson
College, Ohio; & others, to whom
this document may come:

Whereas, Mr. John Fayette, being
about to remove for a time to
your neighbourhood & collegiate care,
I recommend him to your esteem &
Christian confidence, as a regular
& worthy member of the Church of my
pastoral care; a young man (of colour)
whose principles appear fixed & sound;
a candidate for the Christian ministry, of
good & hopeful promise; & a scholar of res-
pectable attainments & behaviour.

We have the best wishes of Christians who know
him, for his prosperity in all things. May the
guidance & grace of God be with him in the
way of his pilgrimage to the end, & make him use-
ful in his own blessed cause!

N. York, April 23. 1832.

Wm. H. Cox, pastor
of the Light St. Pres. church.
