

Case Western Reserve Lab Coat and Scrub Information Sheet

IMPORTANT: Please fill out all information on this sheet below and attach it to any and all items that do not already have a label and RFID chip. It is important that all items have this sheet attached before it is sent to Uniform. Without it the item has a chance of being lost. Customer understands that to prevent loss, each item will have a heat seal label attached along with an RFID chip so each item can be tracked.
