Time-limited ongoing seminars on topics of interest to a small group	34.04% 16
An annual social event (no program content)	40.43% 19
<b>Total Respondents: 47</b>	

## Q2 Which small group meeting format is most attractive to you?

Answered: 42 Skipped: 7

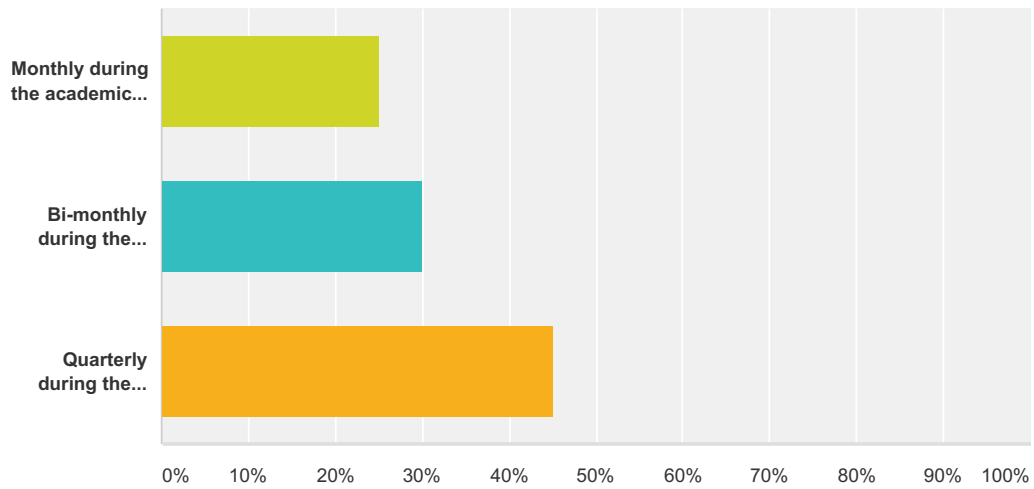

Answer Choices	Responses
Brief introduction to the topic followed by group discussion	16.67% 7
Formal presentation by a content area expert followed by Q & A	83.33% 35
Other (please specify)	0.00% 0
<b>Total</b>	<b>42</b>

#	Other (please specify)	Date
	There are no responses.	

### Q3 How often would you like to see small group event meetings held?

Answered: 40 Skipped: 9

Answer Choices	Responses
Monthly during the academic year	25.00% 10
Bi-monthly during the academic year	30.00% 12
Quarterly during the academic year	45.00% 18
<b>Total</b>	<b>40</b>

**Q4 For large event meetings, what content areas or topics (e.g. well-being in aging; future of artificial intelligence; financial health care; public service) would you be most interested in attending?**

Answered: 34 Skipped: 15

#	Responses	Date
1	Diverse topics of current interest. The Friday noon public affairs talks reflect a suitable range of topics.	9/6/2016 3:13 PM
2	The future of universities. In general, future oriented topics.	9/2/2016 1:55 PM
3	Those topics plus new information among members of the academy.	9/1/2016 3:20 PM
4	events that are designed to draw on the expertise of the emeriti faculty	8/31/2016 2:54 PM
5	Career guidance for senior physicians	8/31/2016 11:12 AM
6	artificial intelligence	8/31/2016 9:57 AM
7	Financial topics, art history or any specialty input by expert	8/30/2016 4:27 PM
8	well being in aging	8/29/2016 4:40 PM
9	Anything except philosophy and religion.	8/29/2016 9:55 AM
10	Current and future local & national academic issues; the e.g. topics listed would also be of interest	8/25/2016 5:00 PM
11	perspectives on current events	8/25/2016 1:53 PM
12	Driverless cars, narcotic epidemic,	8/25/2016 1:08 PM
13	natural history; probability; statistical analysis; art history; economics	8/25/2016 10:03 AM
14	Things like artificial intelligence. Not interested in self-help topics.	8/25/2016 9:42 AM
15	wellness, updating financial status, new directions in health care, update Medicare	8/24/2016 12:16 PM
16	Global education, internet education	8/23/2016 11:13 PM
17	Emerging trends in college education; systems biology; community engagement	8/23/2016 10:22 PM
18	The future of higher education: evolution of ongoing changes, what does the future hold, what innovative experiments are being done?	8/23/2016 8:54 PM
19	Well Being in aging, artificial intelligence, public service	8/23/2016 8:13 PM
20	individuals own research interests	8/23/2016 8:11 PM
21	Anything related to aging, finance control and aspects of developing areas in science.	8/23/2016 7:53 PM
22	financial health care; public service; overseas teaching and travel	8/23/2016 7:18 PM
23	How elderly professionals can remain relevant to the current student body	8/23/2016 7:01 PM
24	well -being in aging, areas of arts and culture, new topics in medicine	8/23/2016 5:02 PM
25	A I Public service	8/23/2016 4:50 PM
26	Country discussions, i.e. Iran	8/23/2016 4:29 PM
27	All of the above	8/23/2016 4:06 PM
28	Financial health care; Issues confronting higher education Income inequality	8/23/2016 3:55 PM
29	Cutting edge research in various fields; topics relevant to retired faculty, e.g., proposed changes to social security; advances in computer technology; advances in computer communication both professional and personal; well-being in aging.	8/23/2016 3:48 PM
30	Topic to be determined by real, current expertise of one of my retired colleagues.	8/23/2016 3:11 PM

31	Examples of creative engagement of emeriti at other institutions, and parallels in other fields of endeavor.	8/23/2016 2:32 PM
32	Any of the above. The crisis of an aging, progressively obese, progressively sedentary population	8/23/2016 2:25 PM
33	future of the human race	8/23/2016 2:22 PM
34	issues in higher education or education generally	8/23/2016 2:15 PM

**Q5 For the small group meetings, what content areas or topics (e.g. changes to social security, book discussions; mind/body connection; creativity) would be of most interest to you?**

Answered: 31 Skipped: 18

#	Responses	Date
1	Perspectives on creativity from literature, art, the sciences, and philosophy. Recent research findings on global climate change, anthropomorphic contributions to it, biological adaptation to it, and the diverse acknowledgements of it in different countries (particularly the U.S.).	9/6/2016 3:13 PM
2	Those listed, particularly mind/body connections and perhaps the future of health care (and maybe Medicare).	9/2/2016 1:55 PM
3	I am more interested in the skills of the speaker, than just topics.	9/1/2016 3:20 PM
4	same as above	8/31/2016 2:54 PM
5	Book discussion	8/31/2016 11:12 AM
6	creativity	8/31/2016 9:57 AM
7	Book discussions	8/30/2016 4:27 PM
8	book discussions	8/29/2016 4:40 PM
9	Teaching innovations in the 21st century	8/25/2016 5:00 PM
10	book discussions, paranormal activity	8/25/2016 1:08 PM
11	geology; astronomy; probability; statistical analysis; art history; book discussion; creativity; economics	8/25/2016 10:03 AM
12	Book discussions	8/25/2016 9:42 AM
13	Molecular Biology/Medicine (does not have to be only about aging)	8/24/2016 6:12 PM
14	book club, new skills, advocacy	8/24/2016 12:16 PM
15	mind/body connection, nutrition, exercise, social media	8/23/2016 11:13 PM
16	Book discussions; life of the mind;	8/23/2016 10:22 PM
17	Book discussions	8/23/2016 8:54 PM
18	science	8/23/2016 8:11 PM
19	same as above	8/23/2016 7:53 PM
20	Book discussions Current politics Recent history	8/23/2016 7:01 PM
21	all of the above sound good	8/23/2016 5:02 PM
22	Mind body Creativity get	8/23/2016 4:50 PM
23	Hobbies	8/23/2016 4:06 PM
24	Changes to social security Future of tenure	8/23/2016 3:55 PM
25	How-to workshops on specific topics, e.g., computer communication software like Linked; health related topics relevant to elderly; medical advances, e.g., treatment of cancer; mind-body connections.	8/23/2016 3:48 PM
26	Book discussions Creativity	8/23/2016 3:35 PM
27	as above--cluster of emeriti with some expertise in a topic	8/23/2016 3:11 PM
28	Demographic trends reflecting an aging population; creativity.	8/23/2016 2:32 PM
29	Any of the above	8/23/2016 2:25 PM
30	book discussions	8/23/2016 2:22 PM

---

31	book discussions	8/23/2016 2:15 PM

**Q6 Please share with us any other ideas  
that you have regarding meeting structures  
and content.**

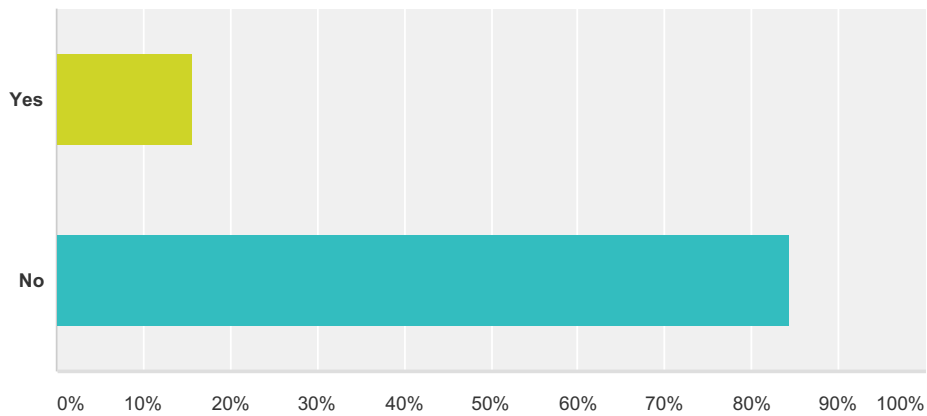

Answered: 16 Skipped: 33

#	Responses	Date
1	Art museum lectures, Botanical Garden, Museum of natural History, Museum of Modern History, Maltz Museum , History of Case Western Reserve, Cleveland Institute of Music, Music Settlement ,	9/1/2016 3:20 PM
2	make the meetings available by Skype or the like. I am living in California and will not be able to attend more than once (or possibly twice) per year.	8/31/2016 2:54 PM
3	e-mail alerts about University events	8/31/2016 9:57 AM
4	None	8/29/2016 4:40 PM
5	Since I live in Montana, I am not available to attend many events in Cleveland - except for my occasional visits.	8/25/2016 1:53 PM
6	I am living in Blue Hill Maine where I continue my work by computer and telephone I get to Cleveland for a week a year in May to attend an annual lecture in my name given at Metro Health Medical Center Duncan Neuhauser emeritus	8/24/2016 7:37 AM
7	Informal setting, e.g. Science cafe	8/23/2016 10:22 PM
8	cocktail hour preceding, dinner, then the presentation and discussion	8/23/2016 8:11 PM
9	I develop ideas after observing programs in action and seeing how well or poorly they functioned	8/23/2016 7:53 PM
10	As one ages it is pleasant to find one area where involvement is encouraged rather than tolerated	8/23/2016 7:01 PM
11	Some formal and some informal	8/23/2016 4:06 PM
12	Have the large event sessions recorded for those out of town; have either an annual general meeting or a detailed email to the membership summarizing the issues discussed at the executive meetings; have a form after both large and small event sessions that allow participant feedback of the sessions and space for write-in of possible future session topics.	8/23/2016 3:48 PM
13	For small groups, the Friday brown-bag discussion group format works well -- so long as the sessions are not dominated each time by the same group.	8/23/2016 2:32 PM
14	With my handicap, confined to wheelchair, would be difficult for me to participate.	8/23/2016 2:19 PM
15	"hot topics," ie, issues in the current news cycle, might be especially worthwhile	8/23/2016 2:15 PM
16	I live in California, hence participation is difficult.	8/23/2016 2:12 PM

### Q7 Would you be interested in presenting a small group topic?

Answered: 45 Skipped: 4

Answer Choices	Responses
Yes	15.56% 7
No	84.44% 38
<b>Total</b>	<b>45</b>

#	If yes, what topic(s)	Date
1	None at this time.	9/2/2016 1:55 PM
2	I like the Museum resources	9/1/2016 3:20 PM
3	genome editing	8/31/2016 10:17 AM
4	Not at this time	8/25/2016 5:00 PM
5	Humanitarian emergencies: overview	8/23/2016 11:13 PM
6	electrically activation the nervous system, building a device	8/23/2016 8:11 PM
7	Remaining engaged in life	8/23/2016 7:01 PM
8	only in the arts	8/23/2016 5:02 PM
9	Not at this time	8/23/2016 4:06 PM
10	my ongoing writing--currently, I am editing the annotated works of Henry George	8/23/2016 3:11 PM
11	Note: I am an administrative emeritus (VP emeritus), so I'm not sure I'm meant to be included.	8/23/2016 2:32 PM
