| 4-2: Strengthen our policies, practices, and ensure accountability for their implementation to sustain CWRU as a just and fair community that consistently puts our people first | Campus surveys of faculty and staff document a high level of mental and physical wellness, that university systems and policies are agile and effective, that procedures are practiced fairly and equitably, and that incentive and reward structures are aligned with national best practices | ● Numbers from satisfaction surveys  
● Best work place in NEO  
● Best work places in Chronicle of H.E.  
● University CRM, etc. reports show inquiries receive timely responses |
