Whether you are joining a gym for the first time or have had a long-term commitment to fitness, Medical Mutual supports your active, healthy lifestyle.

Choosing a fitness club that’s right for you will help you stay committed. Make sure the location, hours, equipment and other programs meet your needs.

To save you money while you are getting fit, our Fitness Discounts Program gives you access to Curves and the GlobalFit network.

Curves
Created specifically for women, Curves offers a complete fitness solution.

The Curves 30-minute workout regimen burns up to 500 calories through a proven program of strength training, cardio and stretching. The system is built around resistance machines that work every major muscle group, two muscles at a time, giving you a more efficient and effective workout with every visit.

Your enrollment fee will be waived—a savings up to $99 at the participating Curves of your choice. Call (800) CURVES30 for locations.
