

Request for Refund Advance 2020-2021

The Office of University Financial Aid processes advances for students enrolled in the following schools: Undergraduate Colleges, School of Graduate Studies, Frances Payne Bolton School of Nursing, Weatherhead School Of Management and the Mandel School of Applied Social Science. Students enrolled in the Schools of Medicine, Dental Medicine, and Law apply for and receive their funds from their school of enrollment.

A student may qualify for a refund advance when the following conditions are met:

- a) The student must be registered as at least a half-time student for the current semester;
- b) Undergraduate students must be full-time;
- c) A financial aid offer for the current semester must have been received and accepted by the student;
- d) Promissory notes for all loans must be completed and submitted;
- e) The student must have completed federal student loan entrance counseling online; and
- f) The student's confirmed financial aid for the current term must exceed the direct charges for the term.

Advances will not be provided for unconfirmed assistance such as credit-based loans until approval from the lender has been received. The Office of University Financial Aid reserves the right to limit the amount of funds advanced to a student.

Advances are added to the student's account as an additional charge. Late fees of 1.5% per month are assessed if the balance is not paid by the billing due date. Students are unable to register for subsequent semesters if they have outstanding balances with the Office of Student Financial Services.

The processing of refund advances begins three days before the first day of the academic term. The Office of University Financial Aid attempts to contact students by e-mail or telephone if an advance is not approved. Students should expect a 48-hour processing period for advance requests. Students may call the Office of University Financial Aid within two days of submission of the advance request to determine whether it has been approved. Refunds and refund advances are deposited into the student's designated bank account if Direct Deposit has been established in the Student Information System (SIS). If not, checks are mailed to the student's local address.
