

This form is to be used when a lump sum payment needs to be paid to a student for work performed. The preferred method is to pay hourly; however, if the job requires a one-time payment and the project is for 30 days or less, a payment request may be submitted. The project and amount being paid must be approved by the Office of Student Employment prior to using the HCM system to request the payment. Please contact the Office of Student Employment at (216) 368-4533 for instructions on how to process this request.

If the student has never held a job on campus, additional paperwork is required before the project begins. Final approval rests with the Office of Student Employment; therefore, if we do not have this documentation on file, the request entered into HCM will not be approved. Federal regulations require that this form be processed before the student begins working and that the student must complete the I-9 Form (Employment Eligibility Verification) with the Office of Student Employment within 3 business days of the hire date.
