A student's standard CWRU Cost of Attendance (COA) is the same, when participating in a study abroad program. However, if your program's specific expenses, including but not limited to housing, meals, airfare, visa fees, or other fees, exceed your standard COA, you may submit this form to request an increase. **While this documentation is optional for students in [standard programs](#), students participating in other preapproved programs are required to complete this form.** Submitting this documentation allows the Office of University Financial Aid to determine if your COA must be adjusted. To request an adjustment, please complete this form and return it along with official documentation of the charges (e.g., catalog pages or website screenshots) to [financialaid@case.edu](mailto:financialaid@case.edu).
