

## Planned Program of Study: IGS

<input type="checkbox"/> <b>New Submission</b>	<input type="checkbox"/> <b>Revision</b>
--	--

All IGS students must submit an online application which includes a Planned Program of Study signed by their advisor. That PPOS will be reviewed and certified by Undergraduate Studies and then Graduate Studies. Your admission to the program is not official until you have received an acceptance letter from Graduate Studies. This form must list all coursework required for the degree program. You must receive a passing grade in each course listed in this plan.

IGS students must indicate the courses being double-counted towards both degrees by placing an X in the "Double-Count" field. A student may count a class that was taken prior to admission to the IGS program, **if it is in excess of the bachelor's degree requirements**. If applicable, indicate this by placing an X in the "Excess of Bachelor's" field.
