“Move-In Day” Just Got Much Easier.

Case Western University Students have enough on their minds, which is why we are providing a refrigerator/freezer in your room!

This model offers 4.7 cu. ft. (133 L) of cooling and freezing capacity in an Energy-Star® compliant component to help keep electricity costs as low as possible; and offers plenty of space for roommates. MicroFridge® delivers, installs and provides maintenance for each appliance in all standard residence hall rooms, giving you one less thing to worry about on move in day!
