Salary Reduction Agreement: (Please read additional acknowledgement on back of form)			
I authorize Case Western Reserve University to reduce my basic salary effective as of the first day of the month following the month in which this agreement is executed. Such salary reduction amount will be applied by CWRU to purchase one or more annuity contracts and/or mutual funds for me, as set forth on this form. I understand that both my pre-tax and after-tax contributions are part of my allowable maximum contribution through CWRU. I acknowledge that this Agreement is subject to the conditions on the reverse side of this form, and that contributions to other tax-deferred plans can affect my allowable maximum contribution through CWRU. I understand that this Agreement will continue in force unless changed in writing by me.

Salary Reduction Agreement

I acknowledge that this Agreement is subject to the following conditions:

- It remains in effect unless terminated by me upon 30 days' written notice, I die, or my CWRU employment terminates.
- The amount of reduction may be changed only once each quarter of the calendar year effective for compensation earned from and after the first day of the month following the month in which a revised salary reduction agreement is executed provided it is received by CWRU at least five business days before the end of the month of execution.
- The amount of salary reduction is limited under the Internal Revenue Code to the lesser of:
 - maximum contribution limit under Section 415;
 - maximum contribution limit under Section 402(g)

15-Year Special Election

You may be eligible to make an election to exceed the 403(b) contribution limit if you have at least 15 years of service at CWRU. There are no restrictions on the number of times you may use the 15-year rule; however, a lifetime maximum limits your contribution under this rule to \$15,000. If you qualify for this election, contact Benefits Administration at AskHR@case.edu and request a calculation of your 15-Year Special Election Limit. Note that eligibility for the 15-year special election is based both on years of service and prior contributions to your supplemental retirement account.

Age 50 Catch-up

You can make an election to exceed the 403(b) maximum contribution limit if you will be age 50 or older in the current year.
