

# BENELECT 2019 CHANGE OF STATUS FORM

You have **30 days after your change** of status to notify Benefits Administration and change your Benelect choices. As noted in your Benelect Guide, the benefit choices you make are in effect for one calendar year and may be changed only during the annual enrollment period to take effect for the following year. The exception to this Internal Revenue Service regulation is a change in family or job status, which allows you to make the appropriate benefit changes mid-year. Only changes that are on account of and correspond with the documented family or job status event can be made. Qualifying life event changes are marriage, divorce, birth or adoption of your child, death of a covered family member, change in child dependent status, or loss of your spouse's health care coverage.
