**Get the support you and your elementary schooler need for this atypical school year.**

If your child needs support during this atypical school year, our programs for kids in grades K-6 are here for you! We partner with local schools to complement the learning they offer with our own robust curriculum for elementary schoolers.

**Get back in the learning groove! Our programs take extra-special care of the hearts and minds of every student as we navigate the pandemic including:**

**Health and Safety**

- Your child's well-being is our number one priority
- A clean and safe environment with industry-leading health and safety protocols
- Daily health screening and temperature checks
- Small-group Pod structure with the same peers and educators to keep everyone safer

**Academic Support**

- Project-based STEM learning activities, art, outdoor play, homework help, or distance curriculum support
- Special pandemic-response curriculum designed for student-led projects that build resilience through creativity, optimism, empathy, problem-solving, and growth mindset

**Social Emotional Learning**

- Supporting a positive, anti-bias classroom culture through student-centered class meetings, social emotional learning activities, and daily mindfulness practice.
- Spending time each day, checking in and building community, trust, and connection with one another.
