AT-HOME COVID-19 TESTS
AT NO COST TO YOU.

Navigating COVID-19 can be hard, but we’re making it easy for you to afford an at-home COVID-19 test when you need one. If you have Express Scripts pharmacy coverage through our company, you can visit your local retail pharmacy for at-home COVID-19 tests at no cost to you.¹²³

Here’s how it works:

• Call your local retail pharmacy to see if they have at-home COVID-19 tests available.
• Take your Express Scripts ID card to a retail pharmacy in your network.
• Bring the COVID-19 test to the pharmacy counter, not the regular checkout lane.⁴
• Check out at the pharmacy counter and show your ID card. Your at-home COVID-19 test should automatically ring up at no cost to you.

Here are a few helpful places to find information:

• To find a retail pharmacy in your network: Visit express-scripts.com and click “Find a Pharmacy.” You can also use our mobile app.
• If you weren’t able to purchase your at-home COVID-19 test(s) at the pharmacy counter, or happened to be charged: You can submit your receipt for reimbursement of up to $12 per test online at our COVID-19 resource center.

1. Only applies to members covered by Express Scripts.
2. You can receive up to eight at-home COVID-19 tests from any retail pharmacy in your network every 30 days at no cost to you.
3. Your plan covers the cost of at-home COVID-19 tests up to $12 each.
4. Pharmacy purchase limits on at-home COVID-19 tests may apply.
