Form W-4 (2023) Page **2**

General Instructions

Section references are to the Internal Revenue Code.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 and you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your selfemployment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2023)

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2 a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter: • \$27,700 if you're married filing jointly or a qualifying surviving spouse • \$20,800 if you're head of household • \$13,850 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

IT 4 Instructions

Most individuals are subject to Ohio income tax on their wages, salaries, or other compensation. To ensure this tax is paid, employers maintaining an office or transacting business in Ohio must withhold Ohio income tax, and school district income tax if applicable, from each individual who is an employee.

Such employees who are subject to Ohio income tax (and school district income tax, if applicable) should complete sections I, II, and IV of the IT 4 to have their employer withhold the appropriate Ohio taxes from their compensation. If the employee does not complete the IT 4 and return it to his/her employer, the employer:

- Will withhold Ohio tax based on the employee claiming zero exemptions, and
- Will not withhold school district income tax, even if the employee lives in a taxing school district.

An individual may be subject to an interest penalty for underpayment of estimated taxes (on form IT/SD 2210) based on under-withholding.

Certain employees may be **exempt** from Ohio withholding because their income is not subject to Ohio tax. Such employees should complete sections I, III, and IV of the IT 4 **only**.

The IT 4 does <u>not</u> need to be filed with the Department of Taxation. Your employer must maintain a copy as part of its records.

R.C. 5747.06(A) and Ohio Adm.Code 5703-7-10.

Section I

Enter the four-digit school district number of your primary address. If you do not know your school district of residence or its school district number, use *The Finder* at **tax.ohio.gov**. You can also verify your school district by contacting your county auditor or county board of elections.

If you move during the tax year, complete an updated IT 4 immediately reflecting your new address and/ or school district of residence.

Section II

<u>Line 1:</u> If you can be claimed on someone else's Ohio income tax return as a dependent, then you are to enter "0" on this line. Everyone else may enter "1".

<u>Line 2:</u> If you are single, enter "0" on this line. If you are married and you and your spouse file separate Ohio Income tax returns as "Married filing Separately" then enter "0" on this line.

<u>Line 3:</u> You are allowed one exemption for each dependent. Your dependents for Ohio income tax purposes are the same as your dependents for federal income tax purposes. See R.C. 5747.01(O).

<u>Line 5:</u> If you expect to owe more Ohio income tax than the amount withheld from your compensation, you can request that your employer withhold an additional amount of Ohio income tax. This amount should be reported in whole dollars.

Note: If you do not request additional withholding from your compensation, you may need to make estimated income tax payments using form IT 1040ES or estimated school district income tax payments using the SD 100ES. Individuals who commonly owe more in Ohio income taxes than what is withheld from their compensation include:

- Spouses who file a joint Ohio income tax return and both report income, and
- Individuals who have multiple jobs, all of which are subject to Ohio withholding.

Section III

This section is for individuals whose income is deductible or excludable from Ohio income tax, and thus employer withholding is not required. Such employee should check the appropriate box to indicate which exemption applies to him/her. Checking the box will cause your employer to not withhold Ohio income tax and/or school district income tax. The exemptions include:

- <u>Reciprocity Exemption:</u> If you are a resident of Indiana, Kentucky, Pennsylvania, Michigan or West Virginia and you work in Ohio, you do not owe Ohio income tax on your compensation. Instead, you should have your employer withhold income tax for your resident state. R.C. 5747.05(A)(2).
- Resident Military Servicemember Exemption: If you are an Ohio resident and a member of the United States Army, Air Force, Navy, Marine Corps, or Coast Guard (or the reserve components of these branches of the military) or a member of the National Guard, you do not owe Ohio income tax or school district income tax on your active duty military pay and allowances received while stationed outside of Ohio.

This exemption does not apply to compensation for nonactive duty status or received while you are stationed in Ohio.

R.C. 5747.01(A)(21).

- Nonresident Military Servicemember Exemption: If you are a nonresident of Ohio and a member of the uniformed services (as defined in 10 U.S.C. §101), you do not owe Ohio income tax or school district income tax on your military pay and allowances.
- Nonresident Civilian Spouse of a Military Servicemember Exemption: If you are the civilian spouse of a military servicemember, your pay may be exempt from Ohio income tax and school district income tax if all of the following are true:
 - Your spouse is a nonresident of Ohio;
 - You and your spouse are residents of the same state;
 - Your spouse is stationed in Ohio on military orders; and
 - You are present in Ohio solely to be with your spouse.

You <u>must</u> provide a copy of the employee's spousal military identification card issued to the employee by the Department of Defense when completing the IT 4.

Note: For more information on taxation of military servicemembers and their civilian spouses, see 50a U.S.C. §571.

- <u>Statutory Withholding Exemptions</u>: Compensation earned in any of the following circumstances is not subject to Ohio income tax or school district income tax withholding:
 - Agricultural labor (as defined in 26 U.S.C. §3121(g));
 - Domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;
 - Services performed by an employee who is regularly employed by an employer to perform such service if she or he earns less than \$300 during a calendar quarter;

- Newspaper or shopping news delivery or distribution directly to a consumer, performed by an individual under the age of 18:
- Services performed for a foreign government or an international organization; and
- Services performed outside the employer's trade or business if paid in any medium other than cash.

*These exemptions are not common.

Note: While the employer is not required to withhold on these amounts, the income is still subject to Ohio income tax and school district income tax (if applicable). As such, you may need to make estimated income tax payments using form IT 1040ES and/or estimated school district income tax payments using form SD 100ES.

See R.C. 5747.06(A)(1) through (6).

Form CC-305 OMB Control Number 1250-0005 Expires 1/31/2020 Page 1 of 2

Why are you being asked to complete this form?

Because we do business with the government, we must reach out to, hire, and provide equal opportunity to qualified people with disabilities. To help us measure how well we are doing, we are asking you to tell us if you have a disability or if you ever had a disability. Completing this form is voluntary, but we hope that you will choose to fill it out. If you are applying for a job, any answer you give will be kept private and will not be used against you in any way.

If you already work for us, your answer will not be used against you in any way. Because a person may become disabled at any time, we are required to ask all of our employees to update their information every five years. You may voluntarily self-identify as having a disability on this form without fear of any punishment because you did not identify as having a disability earlier.

How do I know if I have a disability?
