

Victoria Wright, Associate Vice President for University Planning and Administration

Victoria Wright serves as Associate Vice President for University Planning and Administration. She assumed her current position in March of 2015 after having served as Associate Dean for Finance and Administration at the Weatherhead School of Management since September of 2013.

Previously, she served in executive positions at KeyBank including Executive Vice President and Director of Enterprise Risk Management, and Chief Administrative Officer and National Sales Manager for the Private Bank.

Victoria graduated from Wright State University with a dual major in Accountancy and Finance. She earned her MBA from the University of Dayton where she received the 1995 Roesch Award of Academic Excellence. She served on the boards of Cleveland Opera Association and the Institute for Educational Renewal and has been honored as a Cleveland YWCA Woman of Professional Excellence.
