

# think: study abroad

## Biomedical Engineering Study Abroad

In the past, biomedical engineering students at Case Western Reserve University have had success studying abroad at the following institutions, generally during the spring semester of their sophomore year. This list should serve as a good starting point for biomedical engineering students interested in studying abroad, but it is by no means an exhaustive list.

		Fall	Spring	Summer	Language of Instruction
Argentina	Instituto Tecnologico de Buenos Aires	X	X		Spanish
Australia	University of Melbourne	X	X		English
	University of New South Wales	X	X		English
	University of Sydney	X	X		English
China	City University of Hong Kong	X	X		English
	Hong Kong Polytechnic University	X	X		English
	University of Michigan-Shanghai Jiao Tong Joint Institute			X	English
Ireland	National University of Ireland, Galway	X	X		English
	University College Dublin	X	X		English
New Zealand	University of Auckland	X	X		English
Singapore	National University of Singapore	X	X		English
Spain	Universidad Carlos III de Madrid	X	X		English
South Korea	Korea Advanced Institute of Science and Technology	X	X		English
South Africa	University of Cape Town (IES)	X	X		English
Sweden	Lund University	X	X		English
The United Kingdom	Cardiff University		X		English
	University of Sheffield	X	X		English

Students should also explore taking single engineering courses abroad with Case School of Engineering faculty over CWRU break times. Examples include ENGR 200 in China, ENGR 225 in South Africa, and EECS 342 in India.
