

Frank and Dorothy Humel Hovorka Prize

The Frank and Dorothy Humel Hovorka Prize was established in 1994 by Dorothy Humel Hovorka “to recognize exceptional achievement by an active or emeritus member of the faculty.” The Prize was to be conferred during the annual commencement convocation and included a monetary award of \$5,000.

At the time it was established, nominations were solicited from the University community. A committee chaired by the Provost recommended a recipient to the President.

Date	Recipient	School
1994	Frederick C. Robbins	Medicine
1995	Ernest B. Yeager	Arts and Sciences
1996	Marie Haug	Arts and Sciences
1997	David D. Van Tassel	Arts and Sciences
1998	Eric Baer	Engineering
