

About the University

Case Western Reserve University is located in Cleveland's University Circle, a square mile urban district of cultural, medical, educational, religious, and social service institutions. The only independent, research-oriented university in a region bounded by Pittsburgh and Rochester on the east, Nashville on the south, and Chicago on the west, Case Western Reserve holds membership in the Association of American Universities, and is fully accredited by the Higher Learning Commission and by several nationally recognized professional accrediting associations.
