

Fall 2018 Undergraduate Retention Tables
Case Western Reserve University

	page
Fall Cohort Retention by Gender	2
Fall Cohort Retention by Race/Ethnicity and Citizenship	3
Fall Cohort Retention by Pell Status	6
Transfer and Dual Degree (3+2) Student Retention	7

The annual undergraduate retention tables are prepared by the Office of Planning and Institutional Research using the Registrar's fall enrollment census. For the purpose of these tables, students are said to be retained if they are enrolled in the subsequent fall semester as of the census date, which is the end of the third week of classes. All cohort totals have been adjusted to reflect federal exclusions or retroactive changes in status.

Students in the Six-Year Dental Program, Senior Year in Professional Studies, Integrated Graduate Studies, or other integrated undergraduate/graduate program are considered retained (if enrolled) until they are awarded either the bachelor's or DMD degrees, even though they are not enrolled as undergraduates.

The "Unknown/Other" category includes students identified as American Indian/Alaska Native. Students who self-identify as Native Hawaiian or Other Pacific Islander are included in the Asian category.

Transfer tables now include spring transfer students. These students were included in the cohort for the fall immediately preceding their enrollment term.

For any questions regarding these tables, please contact the Office of Planning and Institutional Research at 216-368-5557 or cwrufacts@case.edu.
