***Form #3 is required only if selected for verification from the FAFSA**

Please do not submit your tax return and w-2 unless notified to do so by the law school Student Financial Services Office.

The Student Financial Services Office will contact you, if you are selected for verification

The remainder of this sheet will provide specific information on each of these forms. Each form also contains its own instructions. Please read all the instructions carefully before completing the forms.

FORM #1: 2025 - 2026 FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID)

All students applying for the need-based loan program must also complete the Free Application for Federal Student Aid (FAFSA) and have the data sent directly to CWRU-Law. Our Federal School Code for the FAFSA is 003137. The FAFSA data must come to us directly from the FAFSA processor. We do not accept paper copies of the Student Aid Reports for financial aid applications, nor will we process electronic corrections/updates on behalf of a student. If you need to complete a FAFSA, make a correction or update to your FAFSA record, or learn more about the FAFSA, you may do so at this Web site: <https://studentaid.gov/h/apply-for-aid/fafsa>

FORM #2: CWRU FINANCIAL AID APPLICATION

Review the instructions on the first page of this three-page form. You will note that all graduate/professional students are considered Independent. Since you will be entering law school in the fall, this means that you are considered independent for financial aid purposes at CWRU. **Therefore, you do not need to provide any information on your parents' income and assets.**

Complete the Student Information section. If you do not have your SIS Student ID when completing the form, the Student Financial Services Office will complete it for you.

Your SIS ID # (Student ID Number) will be emailed to you. Admitted students will be provided their student ID numbers in the upcoming months.

Q. #1 asks which semesters you are applying for financial aid. Check the appropriate box. **NEW J.D. STUDENTS**: You should check the box indicating "Aid for 2025-2026 academic year". Since your application for admission is for Fall 2025, you are not eligible to enroll at CWRU for the Summer 2025 session, and therefore you may not apply for summer session aid.
