Gohagan & Company is proud to provide the most deluxe, **exclusively chartered** ships in educational travel—the ideal way to experience the unforgettable destinations in our **specially designed itineraries**. Chartered cruising provides the **optimum setting for affinity groups**; with no offering to the general public, there is control over the entire ship. Enjoy the luxury of intimate, designated spaces for your association's private engagements in addition to enlightening lecturers and complimentary alcoholic and nonalcoholic beverages. The next exclusively chartered, deluxe voyage awaits your choosing.

The elegant precision of Austria's native son Mozart inspired the meticulous crafting of Lueftner Cruises' deluxe ship, AMADEUS SILVER II, which feature the comforts of a refined and traditional hotel, including **complimentary Wi-Fi**.

The stylish Staterooms and Suites are among the most spacious of any European river ship (172 to 284 square feet). Suites include a private balcony, and select Staterooms feature a **unique floor-to-ceiling window that lowers to French-balcony height at the touch of a button**. Accommodations have two twin beds that convert into one queen bed, a private bathroom with shower, individual climate control, **walk-in closet**, telephone, writing desk, sitting area, safe and hair dryer. Most have a minibar.

The delightful restaurant offers scenic views through panoramic windows as well as continental cuisine featuring fresh, local ingredients. Daily meals include early-risers' coffee, buffet breakfast and lunch, afternoon tea, four-course **dinner with complimentary wine and beer**, and late-evening snack.

For your leisure time on board, the inviting and spacious public facilities typically include the Panorama Bar, Lido Bar, Amadeus Club with library and 24-hour coffee station, beauty salon, boutique, massage room, fitness studio and ample open-air deck seating. The Sun Deck has a chessboard and shuffleboard. Complimentary bicycles are available for independent pursuits on shore (time permitting). An elevator serves all passenger decks except the Sun Deck. There is no doctor on board.

The English-speaking, international crew provides warm hospitality. The AMADEUS SILVER II meets the highest safety standard and is part of **one of the only European river ship fleets to have been awarded the "Green Certificate"** of environmental preservation.
