THE LAURA & ALVIN SIEGAL
LIFELONG LEARNING
PROGRAM

Dear CWRU Alumni and Friends:

I invite you to join my wife, Karen, and me on an unforgettable journey through Alaska’s legendary landscapes. This is an extraordinary opportunity to explore Alaska’s Glaciers and the magnificent Inside Passage via cruise ship this summer from July 13-20, 2023.

Jessica Berg, JD, MPH, co-dean of the School of Law, will be our faculty host for this adventure. Explore Alaska’s picture-perfect small towns that nudge up against a dramatic wilderness where grizzly bears pluck salmon from clear waters and moose and caribou roam along the roadside. Home to king salmon that exceed 70 pounds and massive humpback whales, the 49th state defies hyperbole. Traverse between near-vertical rock walls and cobalt-blue icebergs, discover snowcapped peaks, steep fjords, and plunging waterfalls, and prepare to be amazed by a wide array of wildlife on this enchanting cruise.

We look forward to enjoying this wonderful adventure with Case Western Reserve University’s most loyal alumni and friends and hope to see you in Alaska!

Sincerely,

Eric W. Kaler

PROGRAM HIGHLIGHTS

Exploring the Inside Passage

Shaped by the Ice Age and sheltered from the Pacific Ocean by one thousand miles of islands lining North America's Pacific Coast, the Inside Passage renders untamed Alaska a picturesque panorama of magnificent glaciers, snowcapped mountains, and pristine wilderness. Stand on the deck of our five-star, all-suite small ship as you cruise protected cliff-rimmed fjords and inlets of serene waters. Watch for wildlife such as bald eagles, harbor seals, humpback whales, and brown bears. Cruise into Tracy Arm Fjord and Endicott Arm Fjord and see the thunderous calving of the Dawes and South Sawyer Glaciers, and explore the Passage's hidden treasure—seldom-visited Elfin Cove. Along the way, encounter the indigenous culture of the Tlingit, onion-domed churches built by Russian fur traders, quirky fishing villages, trading outposts settled by American pioneers, and Gold Rush settlements built over a century ago.

Cruising the Inside Passage

Day 2

Experience the Inside Passage, one of the most scenic waterways in the world, from our small ship. Cruise amidst countless islands, thickly blanketed forests, hidden bays, and coves, sandy beaches, and lofty waterfalls. Be on deck to watch for cavorting sea lions and breaching orcas in the deep waters and look for Sitka black-tailed deer, mink, and river otters roaming the shores and mountainsides.
